

Nailhead Headboard

Assembly Instructions

Product Dimensions:

62"W×3"D×48"H

Please take a moment to read through the entire instruction booklet before assembly to familiarize yourself with this product. Once you feel ready to start, follow the instructions step by step and this should make this process as easy as we could make it for you.

WARNING CAUTION

ADULT ASSEMBLY REQUIRED

CHOKING HAZARD

- This product includes small parts, sharp points and sharp edges in its unassembled state. Keep unassembled parts away from children under 3 years of age, and animals.

SAFETY WARNINGS

- Follow the information on the warnings appearing on headboard and on the carton. Do not remove warning label from headboard.
- Do not allow children under 3 years of age to use the headboard .
- Do not use substitute parts. Contact the manufacturer or dealer for replacement parts.

FURNITURE TIP-OVER HAZARD

Children have died from furniture tip-over

To reduce the risk of furniture tip-over:

- ALWAYS install tip-over restraint especially if used by a wall or in the open.
- NEVER allow children to stand, climb or hang on headboard.
- ALWAYS anchor headboard to wall or bedframe.

PARENTAL SUPERVISION IS REQUIRED

- Parents or Guardians should supervise use under the intended age specifically regarding children that may have access to it and climb on the unit.
- Do not allow horseplay on, under, or behind the unit and prohibit jumping on the unit.
- If used improperly, your unit may be pulled over or fall, creating risk of injury or damage. Children should not be permitted to climb or pull on the headboard.

USE, MAINTENANCE & ASSEMBLY

- Periodically check and ensure that the components are in their proper position, free from damage, and that all connectors are tight.
- Use on level surfaces only. Assemble on a soft level surface to avoid damage to unit or floor.
- Do not use this item if any components are missing or damaged.
- Do not use substitute parts. Contact the manufacturer or dealer for replacement parts.
- Only clean using damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- Check you have all components and tools listed on page 4
- Do not stand or put weight on this product during assembly, this could cause damage.
- Remove all hardware from the plastic bags and separate them into groups.
- Assemble the item as close to its final position (in the same room) as possible.
- Certain assembly steps may be easier with 2 people.
- Dispose of all packaging carefully and responsibly.
- We do not recommend power screwdrivers. Only use hand screwdrivers to prevent damage to unit.

Keep these instructions for future reference.

Back of Assembly Instructions

Folded Paper Template

Make sure your template is level before marking your holes. Use masking tape to temporarily secure template on wall when ensuring paper is completely flat and even. Use a level to adjust position. Then press pencil through center of marked holes on template to mark pilot hole target behind paper. Remove paper template when satisfied with placement and proceed to Wall Mount Instruction step 1.
