ASSEMBLY INSTRUCTIONS

SKU:AJ-DJ505212

Installation guide A : The page number corresponding to the installation procedure is Page 7-22.The head of the bed is on the left side facing the bed（as the figure shows）.

Installation guide B : The page number corresponding to the installation procedure is Page 23-38.The head of the bed is on the right side facing the bed（as the figure shows）.

V4.0

DEAR CUSTOMER,

Caution:

1.Please read all instructions before assembly and check the carton for any parts that may have come loose during shipment. It is recommended to use two or more persons during the assembly process.
2.Please do not discard any packaging before you have checked all the parts and fittings are included. if for any reason this product needs to be returned it must be returned packed in its original packaging.
3.Assemble this product on a flat and clean surface to avoid scratching.
4.Please don't tighten the screws completely and go back later for a final tightening of all the screws after pieces are aligned with each other !

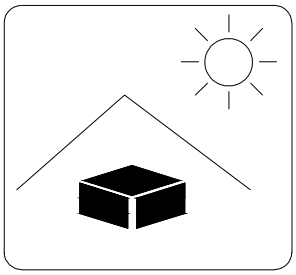

Mobile phone control steps:

1. Connect LED Lamp and RF RGB Controller.
2. Plug in the Adaptor Power supply.
3. Scan the RF RGB Controller QR code on the controller and download the software LotusLantern.
4. Turn on the Bluetooth function of the mobile phone and search for Bluetooth pairing "Trinoes".
5. Open the "LotusLantern" APP and switch colors change.
   Click the music switch to realize the skip mode of different LED lights.
   Press the timing switch to realize the automatic light off function,etc.

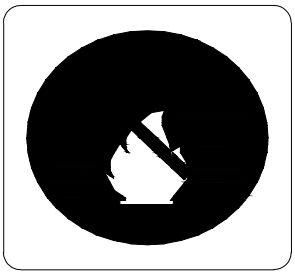

Package Contents

Plates and iron components	Assembly tool kit	Instruction manual

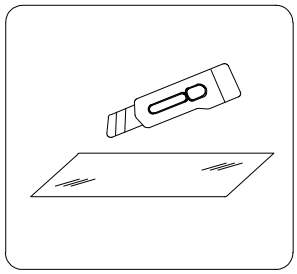

Precautions ⚠

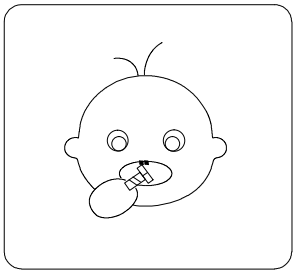

1.Avoid long-term direct sunlight exposure

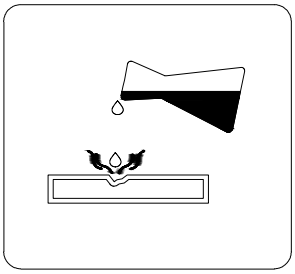

2.Stay away from fire

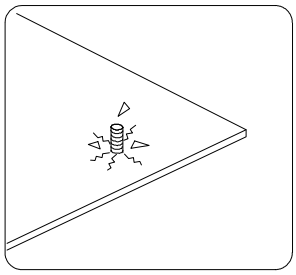

3.Keep away from sharp objects

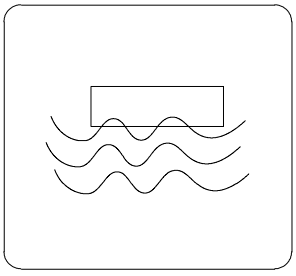

4.Keep infants/children away from assembly parts to avoid choking and suffocation.

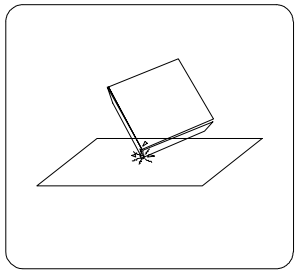

5.Keep away from corrosive substances

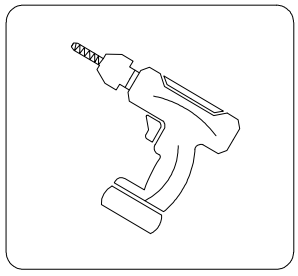

6.Please use the correct screws, otherwise the plate will be damaged.

7.Prevent objects from being damaged by immersion in water

8.Prevent object collision and damage

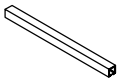

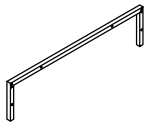

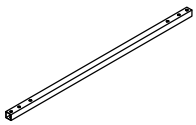

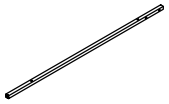

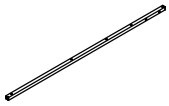

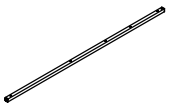

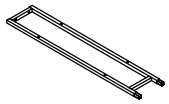

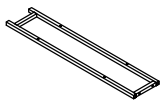

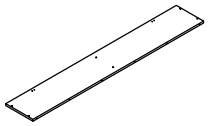

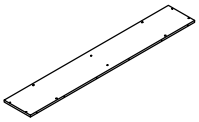

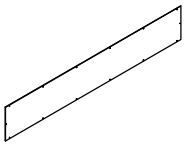

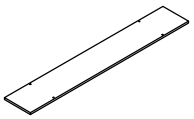

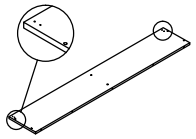

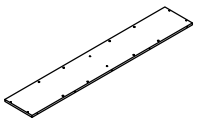

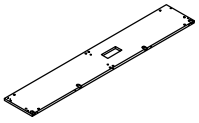

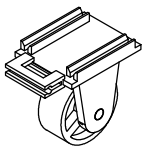

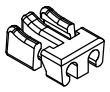

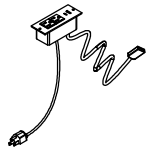

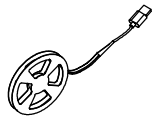

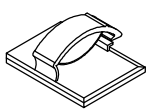

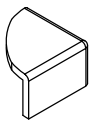

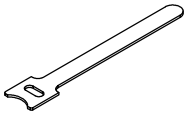

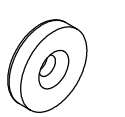

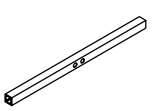

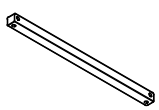

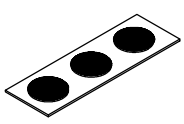

9.Use an electric screwdriver for installation, please be careful not to set the speed too high.

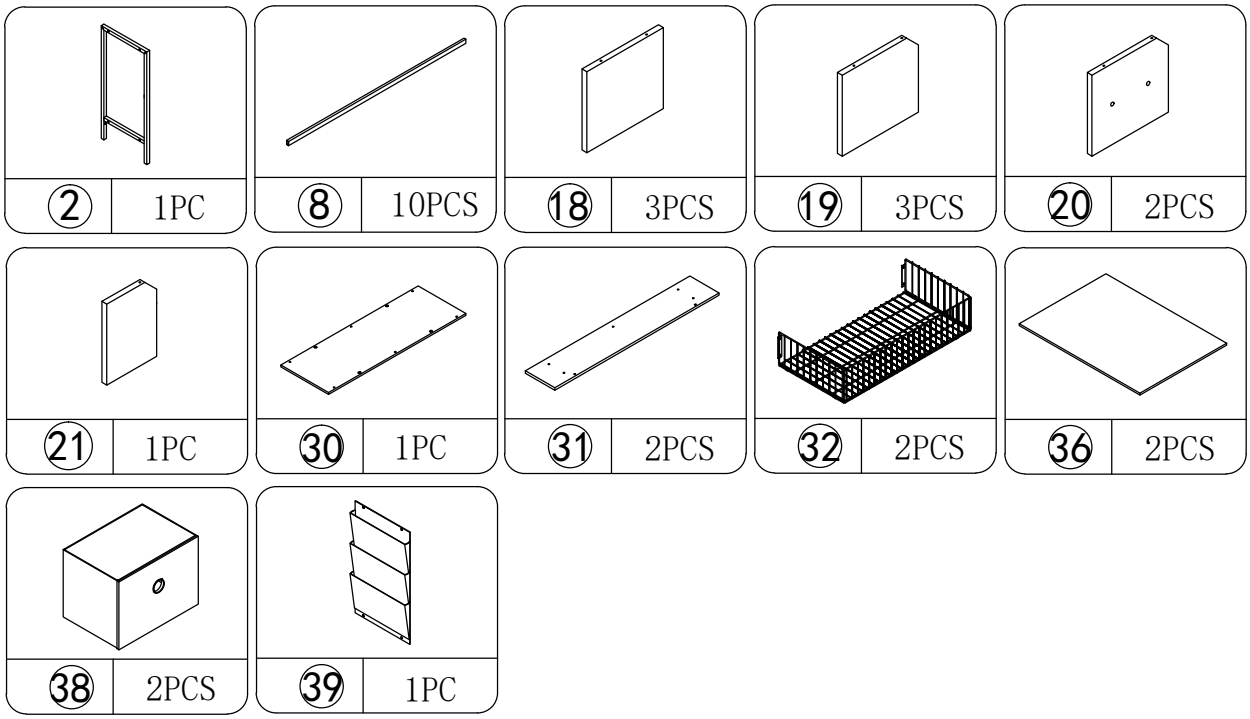

Problems You May Encounter

PART	PROBLEM	SOLUTION
Whole Product	Parts are missing, defective or having wrong parts in package.	You can contact us and we will get back to you within 24 hours
	Having issue(s) while reading the instruction or completing the assembly.	Feel free to contact us and we will get back to you within 24 hours.
	Encountering non-human caused damage during usage.	If the product is damaged due to non-human causes, please keep the product and send us photos of it. We will ascertain the cause of the product damage within 48 hours and provide you with a satisfactory solution.
Product Surface	Board Surface is broken, scratched or lack of some screw holes.	Feel free to contact us and we will get back to you within 24 hours.
	The screw holes on the wooden board and other wooden boards are not aligned.	1.Please tighten the screws on the board by 70 %, do not tighten completely. 2. Adjust the wooden board and board. Until the holes are arranged neatly, then tighten all screws
	Uneven countertop	Please loosen the fixing screws to 50% or 70%, align the components, and then tighten all screws.
