

Assembly Instructions for **Model HL1606355**

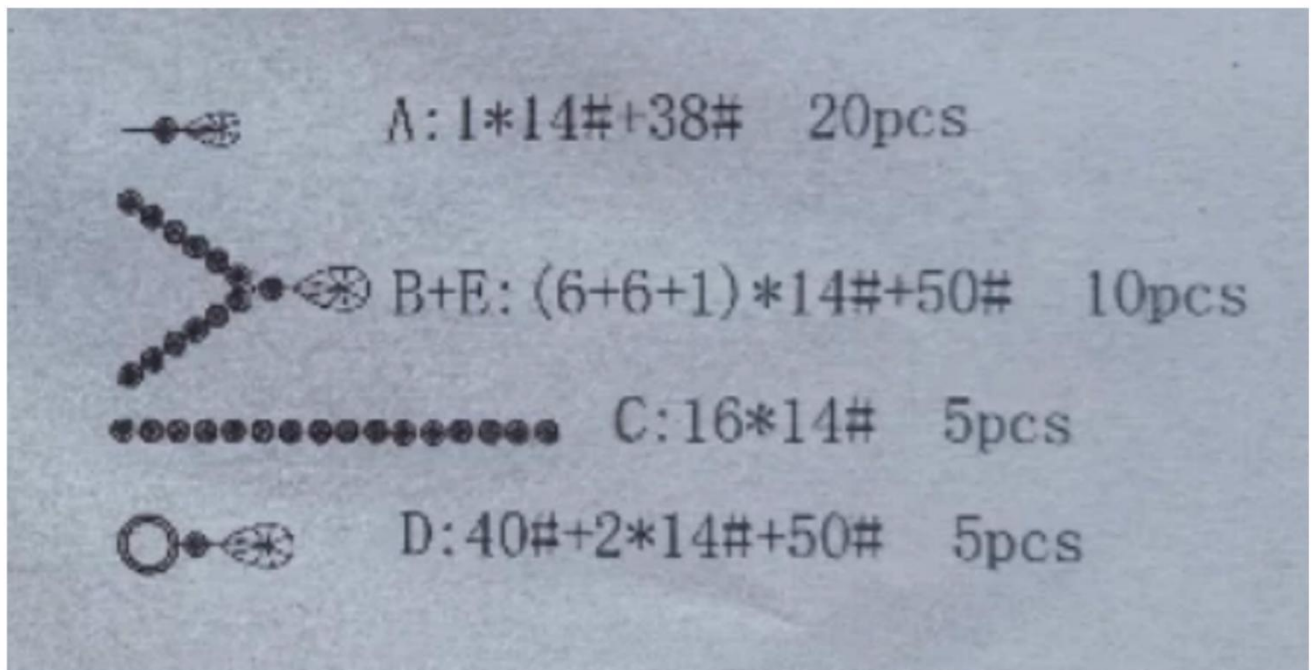

Assembly Method

Assemble the chandelier according to the instructions included in the package.

1. Fixed hook
2. screw
3. Hang button
4. Suction cap
5. Small screw
6. Straight rod
7. wire
8. Iron chain
9. Lock catch
10. cristal dish
11. cristal ball
12. tube
13. lamp disc
14. gear ring
15. column
16. bowl
17. Cap and saucer

Note: Some models are equipped with a disc-type suction cap.
Please follow the steps below for installation.

1. Screw and nut onto the hole in the center of the round metal plate (mounting plate).

Drill holes in the ceiling according to the holes on the outside of the mounting plate, and hammer expansion bolts into the holes.

Secure the mounting plate to the expansion bolts by passing screws through the holes on the outside of the mounting plate.

2. Secure the hanging chain and ceiling mount to the mounting plate with screws and nuts.

The installation is complete.

Your fixture is now assembled and ready to use.
