## Product Features

- **Energy-Efficient DC Motor:** Designed for cost efficiency, the fan's DC motor is 65% more efficient than traditional AC fan motors. It not only saves energy but also operates quietly, providing a peaceful environment.
- **Remote-Controlled Convenience:** The 52" ceiling fan comes with a remote control, offering 6 wind speeds, timer adjustment, and reversible blade design for year-round comfort.
- **Powerful Performance:** Equipped with 3 ABS blades, this fan ensures powerful and efficient airflow, making your home more comfortable.
- **Ideal for Various Spaces:** Perfect for medium to large-sized indoor rooms such as bedrooms, living rooms, dining areas, offices, as well as outdoor spaces like covered porches and patios.
- **Easy Installation:** With a 52-inch diameter and compatibility for ceilings with a maximum slope of 15 degrees, our ceiling fan is designed for easy installation. Most functional components come pre-assembled, allowing you to save on electrician costs and complete the installation on your own.
