

Gaming chair

Installation & Assembly

Notes

1. Follow the instructions for the assembly.
2. Do not tighten screws with Allan key until you have put together the whole set.
That way if you make a mistake you can quickly remove a screw.
3. Use soft dry cloth to wipe the dirt from the chair, or use a cloth which is moistened by clear water to clean. When there are stubborn stain on the surface, use warm clear water to moisten the cloth and then use the wet cloth to wipe the dirt.
4. Do not use Alcohol, gasoline or any organic solvent for cleaning.
5. Do not put the chair in a humid or sun-exposed environment, a dry, ventilated room is recommended to avoid direct sunlight, so as to prevent premature oxidation and ensure the chair's safety of use and service life.
6. Do not let kids jump or play on it to prevent the injuries of kids and unpredictable damage to the chair.
7. Warning: Seller is responsible for the product-related issues occurred upon receipt, but will not be responsible for the personal injury, property damage or loss resulting from the incorrect assembly, improper use, inadequate maintenance or neglect of this product.

⚠ Note:

The height adjustment feature may not work properly immediately after assembly. To activate it, apply pressure to the gas cylinder so that it contacts the base, then sit on the chair a few times to help engage the mechanism.

A Chair Height Adjustment

Cylinder Fixed Base “LIFT” You can adjust the seat height by using the lever.

- While sitting in the center of the seat, pull the “LIFT” lever on the lower right side of the seat upward to lower the seat.
- While lifting your hips, pull the “LIFT” lever on the lower right side of the seat upward to raise the seat.

⚠ Attention

To avoid injury, do not lean back on the backrest before it's locked in place. This could cause the backrest to tilt suddenly. After adjusting the angle to your liking, make sure to press the "RCL" lever downward to securely lock it.

B Back Recline Function

The reclining function can be adjusted using the "RCL" lever on the cylinder base.

- (1). Sit in the center of the seat and lean back against the backrest.
- (2). Pull the "RCL" lever located at the bottom right of the seat upwards to release the lock and tilt the backrest.
- (3). Press the "RCL" lever downward to lock the backrest at your preferred angle.

SAFETY INFORMATION
