Product Specification

The cable bath drain shall be of brass construction. Drain shall allow through-the-floor, along-the-floor, compression joint, and solder joint installations. Drain shall include compression fit tee fitting and solder joint tee fitting. Drain is intended for use with Underscore® Cube baths and BubbleMassage™ airbaths. Cable bath drain shall be Kohler Model K-8150-_____.

UNDERScore® CUBE

Installation Notes

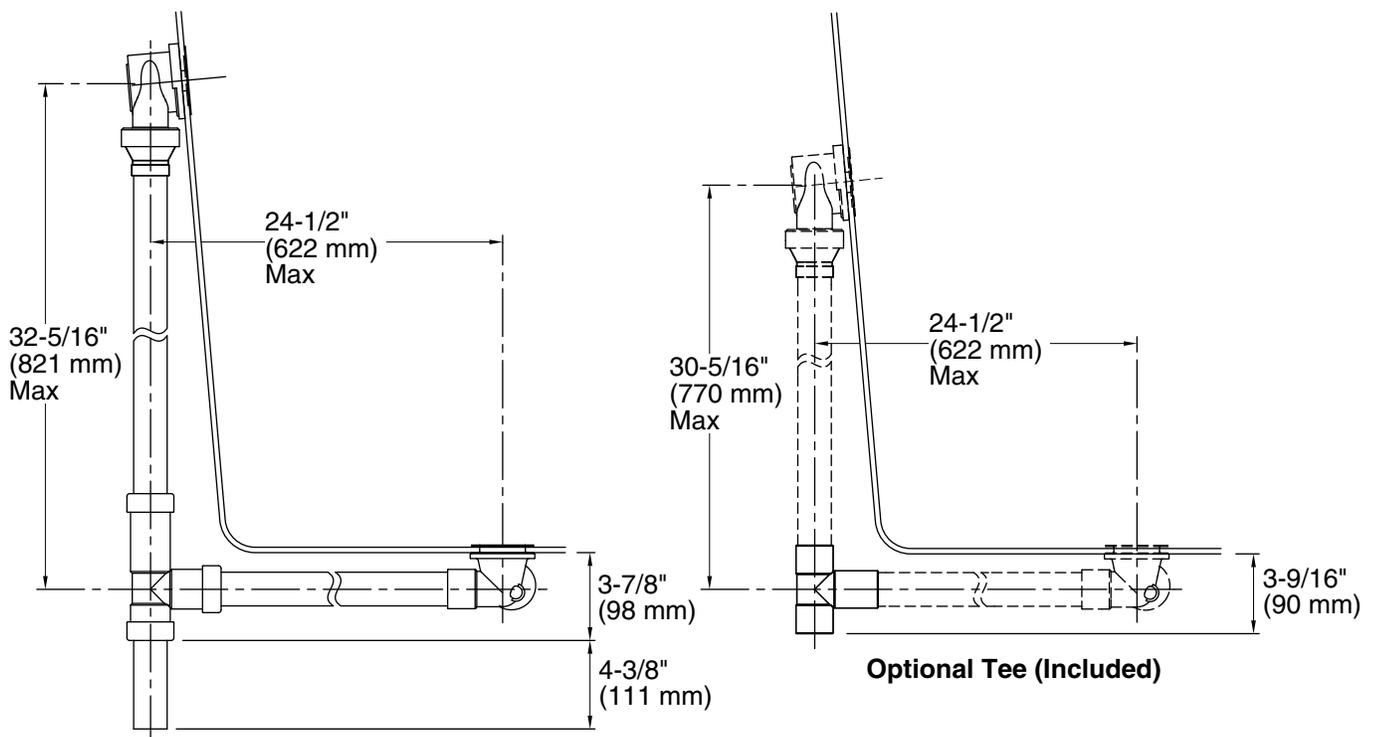

Install this product according to the installation guide.

CAUTION: Risk of property damage. Leaky drain connections will damage property. Ensure that a watertight seal exists on all drain connections.

If installing a new bath, install the drain before installing the bath.

Do not kink, damage, coil, or secure the cable to any structure.
