

ASSEMBLY INSTRUCTIONS

1. Remove the lamp from the box and lay it out in a line on the floor. Assembly should start the bottom of the lamp and proceed toward the top.
2. Screw the bottom tube C section to the base and tighten to secure.
3. Screw the middle tube B section to the tube C and tighten to secure.
4. Screw the top tube A section to the middle tube B and tighten to secure.
5. Place the shade on the cup and tighten to secure with Socket Ring as diagrams. (Do not over tighten)* **Socket Ring located on socket**
6. Install Bulb (NOT INCLUDED).

CAUTION - Refer to the wattage caution label located near the lamp holder for maximum wattage - do not exceed the maximum wattage.

7. Insert plug into wall receptacle.

WARNING - Do not attempt to replace the bulb(s) while the lamp is plugged into a wall receptacle.

Note: The diagram illustrates the installation of your new luminary. This is a representative drawing and is not intended to match the style of your luminary.

IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit it, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.

Note: This stained glass product has been protected with mineral oil as part of the finishing process. Please use a soft dry cloth to remove any excess oil.

WARNING

California Residents Proposition 65

This product contains lead, a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. Do not place the product in your mouth. Wash your hands after handling this product.
