

Assembly Instruction

Accent Chair

Hardware is stored at the bottom of the accent chair. Please take out the legs and hardware for assembly.

Note: Do not use power tools for assembly. Power tools increase the risk of over tightening which lead to splitting or cracking the wood.

Care Instruction for Fabric Furniture:

In order to maintain the original appearance of your fabric furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage fabric.
- Vacuum or wipe with a soft cloth to remove dust.
- Hardware may loosen over time. Periodically check to make sure all connections are tight, Re-tighten if necessary

For items use on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.
