

Model No. BDHI220AV

## Automotive Hand Vacuum

Featuring cyclonic action for strong suction and a full accessory kit, this car vacuum is what you need to keep your car's interior clean year round. A long, slim nozzle fits in tight spaces. Lightweight, powerful, and easy to empty.

- Corded Hand Vac, powers through 12V DC (cigarette lighter socket) for easy cleaning of Automotive Vehicles
- 16 Foot Cable - Reaches all areas of the car, including the trunk
- Cable wraps around the base - For tidy storage
- Flexible hose and brush cleans awkward areas and tight spots with ease
- Extra long nozzle with wide mouth easily scoops up large debris
- Full Accessory Kit And Storage Bag - To help keep things tidy
- Extra long crevice tool gives access for cleaning between car seats for a deep down clean
- Cyclonic action spins dirt away from the filter and maintains optimum suction power
