

ROMULUS MIRROR

WM1106

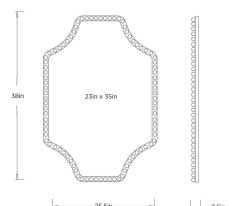

H: 38 IN

W: 25.5 IN

D: 2.5 IN

The Romulus Mirror serves as a sophisticated fusion of geometry and jewelry-like detail. It features an antique brass clad finish punctuated by emerald sphere accents, providing a rich, hand-applied texture and a vibrant, luxurious contrast. The striking interplay of jewel tones and warm metal creates a radiant focal point that balances classic opulence with modern structure.
