Floating within an elongated cage, the two bulbs that illuminate the Bergen Bronze Wall Sconce are as lean as the overall profile of the black sconce. Made of metal in an oil-rubbed bronze finish, the Bergen has a sophistication to its lines given they are pared down and perfectly formed. We also offer the Bergen in polished nickel and antique brass finishes, each of the sconces ADA compliant and certified for damp locations. Part of the Bagno Collection of wall sconces designed for bathroom spaces.
