

Windmill Wall Clock 625671

Howard Miller delivers a truly incredible design with this oversized wall clock. Featuring a windmill inspired design, this aged clock will pair perfectly with rustic home designs.

Antique Styling: This oversized windmill style metal wall clock features an antique brownish charcoal finish and significantly aged white hour and minute hands. Together all of these tiny details work to create a unique aged look. This metal wall clock is the perfect addition to any farmhouse style collection.

Arabic Numerals: Aged white Arabic numerals and a minute track decorate the fixed windmill blades. The unique seemingly hand-painted numerals lend a rustic and homestyle feel to this beautiful piece. No detail is left unnoticed, from the perfect blade edges to the shabby chic hands, this oversized wall clock doubles as a focal decorative piece.

Quartz Movement: The Windmill oversized wall clock uses quartz movement and requires one AA sized battery.
