06 / Frequently Asked Questions

- **How long may it take for a mattress to expand fully?**

Generally, the **mattress needs 48-72 hours to expand fully**, Sometimes it might take longer to completely expand in situations like low room temperature or if the mattress has been wrapped and rolled inside the shipping box for an extended period.

- **What if my mattress does not expand to its full size?**

Please make sure the mattress has been put on a flat platform to inflate fully for about 48-72 hours.
