Assembly Preparation

This bench has multiple parts and may require up to some 10 minutes to assemble. To give you an overview of the bench parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Carefully place the bench upside down on a soft, clean surface.
Position each leg (B) at the corresponding corner and align the bolt holes.
Insert two bolts (1) into each leg and tighten them using the Allen key (2). Repeat for all four legs.
Ensure all bolts are securely tightened before turning the bench upright
