

CARE GUIDE

FOR BLOCK PRINTED FABRICS

DRY CLEAN ONLY

Professional dry cleaning is recommended for best fabric care.

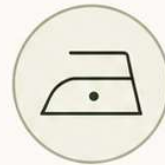

DO NOT USE CHEMICALS

Do not use any chemicals, bleach, or strong detergents.

DO NOT WASH

Do not machine wash the fabric.

LOW IRON

Low iron on reverse side only.

AVOID DIRECT CHEMICALS

Avoid direct contact with chemical-based cleaners or perfumes.

PRE-DRY CLEANED

Fabric is already dry cleaned before shipping.

NATURAL SCENT

Slight organic or natural scent may be present due to handmade and natural dye process.

AIR DRY

To avoid any natural fabric smell, please sun dry the product in sunlight or air dry in open space.

NATURAL VARIATIONS

Natural variations in print and color are part of the handmade charm and uniqueness of the fabric.

HANDLE WITH CARE

Handle with care to maintain the beauty of the hand block printed fabric.

This fabric is crafted using natural fibers and traditional techniques. Kindly follow the care instructions to preserve its quality and longevity.
