The mark of responsible forestry

woood

Additional description

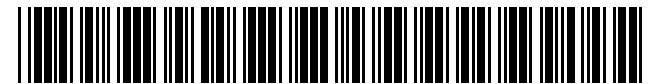

Spacious, sturdy 3-door closet
Solid pine, FSC certified, lacquered in black
Create your own cabinet wall
H 195 cm x W 140 cm x D 53 cm

A spacious, tough cabinet that is this Connect 3-door cabinet with drawer and strip door with slotted handle from the collection of the Dutch brand WOOD. The body of the Connect 2-door cabinet is made of solid, FSC certified pine with a black finish. The inside has laminated shelves, practical with cleaning. The Connect 3-door cabinet comes standard with a hanging section and 1 shelf over the entire width of the cabinet. There are 3 fitted shelves behind the rightmost door.

The Connect wardrobes are made in such a way that they can be placed flush against each other. This allows you to create the cabinet wall as you wish. Width of the shelf on the right 45 cm. From bottom to top between the shelves 37 / 41 / 34 / 37 cm. These are fixed sizes so not adjustable.

The Connect cupboard is supplied as a construction kit with a clear assembly instruction.
