三. 核心卖点

1.PREMIUM VELVET UPHOLSTERY / 高品质绒布布套

Crafted with soft velvet upholstery, this sofa offers a smooth, comfortable touch with a luxurious texture that enhances your living room décor. The plush fabric combines elegant style with everyday practicality, creating a cozy seating experience for relaxing, entertaining, and family gatherings

采用柔软绒布材质的布套使这款沙发拥有顺滑细腻的触感和高级质感，为您的客厅空间增添优雅格调。舒适的绒面面料兼具精致外观与日常实用性，营造温馨舒适的坐感体验，非常适合休闲放松、招待客人以及家庭聚会等多种生活场景。

2.Gold Button Tufting Accents / 金色扣钉点缀

Each tufting button is finished in a gold-tone metallic wrap — a jewelry-like detail that turns the iconic Chesterfield diamond pattern into a metallic-jewelry grid. The gold catches morning and evening light, giving the sofa a subtle shimmer that elevates it from classic to contemporary glam across any color choice.

每颗拉扣包覆金色金属饰面——像把切斯特菲尔德菱格变成珠宝网格。金色在晨光与暮色中泛出微光，把经典款提升为当代轻奢款，跨颜色都成立。

Hand-Finished Diamond Tufting / 手工拉扣菱格

Deep diamond tufting across the back and inside arms is hand-finished by skilled upholsterers — each button pulled tight to deliver the iconic Chesterfield texture that separates an heirloom from a copy.

靠背与扶手内侧深菱格拉扣，由熟练工匠手工逐颗拉紧成型——是切斯特菲尔德标志性工艺，也是区别于仿品的真正分水岭。

3.Gold Piping Detail on Seat & Arms / 座包与扶手金色滚边嵌条

A tailored gold piping runs along the front edge of the seat cushion and along the top edge of both rolled arms. This single design detail is what separates a "Chesterfield-style" sofa from a real Chesterfield — it's the quiet luxury signal that catches the eye of anyone who knows furniture.

沿座包前沿与两侧卷扶手顶部镶嵌金色滚条——这一条细节，就是「Chesterfield 风」沙发与真正切斯特菲尔德的分水岭，是懂行人一眼识别的轻奢信号。

4.Spacious 89.5" Three-Seat Design / 89.5 英寸宽敞三人位

Wider than typical 3-seaters by a full inch — three adults sit shoulder-to-shoulder without elbow

bumps, and the long bench gives every person room to shift without falling into a cushion gap.

比常规三人位宽一英寸——三位成年人并坐不挤肘，长座包让每个人随意挪动，也不必担心滑入座包缝隙。

5. Long Bench Cushion / 单体长座包

A single continuous bench cushion — no seams between cushions, no place for crumbs to hide. 一整块连贯长座包——无缝隙、无碎屑藏身处。

6.KD Construction — 1 Box Ships Anywhere / 拆装结构单箱入户

Knock-down design means fits through standard 32" doorways, apartment elevators, and narrow stairwells

拆装设计轻松通过 32 英寸标准入户门、公寓电梯与窄楼梯。

7.Deep Diamond Button Tufting / 深菱格纽扣拉扣

Deep hand-pulled diamond tufting across the back and inside arms — the signature Chesterfield construction, refined with the gold-button accents that take it from traditional to contemporary glam.

深菱格拉扣贯穿靠背与扶手内侧——切斯特菲尔德标志工艺，配以金色扣钉点缀，从传统经典跨越到当代轻奢。

8.Curved Rolled Arms / 优雅卷扶手

Low, gracefully curved rolled arms frame the seat in the classic Chesterfield silhouette, with gold piping along the top edge that makes the curved line read as deliberate design rather than soft cushion overflow.

低伏优雅的卷扶手框出切斯特菲尔德经典坐区，顶部金色滚条让曲线读起来是「设计」而非「软垫溢出」。

9.Rubber Wood Legs + Metal Center Pole / 橡胶木脚 + 金属中央支撑杆

15 cm rubber wood legs with brushed gold-tone caps — sturdy enough to take daily use while keeping the sofa visually light. A 23 cm metal center support pole runs beneath the long bench cushion, eliminating the dreaded mid-cushion sag that plagues most 3-seater sofas under \$1,000.

15 cm 橡胶木脚配拉丝金色脚套——坚固足以应对日常使用，又保持视觉轻盈。座包下方的 23 cm 钢制中央支撑杆，彻底消除千元以下三人位常见的中段塌陷问题。
