

Wheel Kit for 15ft HammockStand

Model 7809BL

Congratulations on purchasing this wheel kit. **If you have questions regarding this product**, please contact customer service at (800)-295-6758, M-F 8 A.M. to 4 P.M

The wheel kit for the 15ft hammock stand should look like the picture to the right out of the box. All parts to the kit should be together as shown in picture 1

Picture 1

1. Loosen the bolts on the bracket and fit onto one of the upright pole sections of the hammock stand.
2. Place the upright section with the wheel kit attached back onto the base part of the hammock stand.
3. Slide the wheel kit down the upright pole until the wheels just touch the ground as shown in picture 2, and tighten the bolts securely. (use a #14 wrench to tighten bolts)

Picture 2

Move stand by pushing down on upright with the wheels attached using the wheels as the fulcrum and roll to new location as in picture 3.
