User Interface

## Installation

- Requires Clearflo slotted overflow bath drain (sold separately)
- Center drain
- Drop-in or undermount
- Requires 110 V electrical service

## Installation Notes

*Install this product according to the installation instructions.*

Measure your actual product for rough-in details.

The hot water supply should be 70% of the capacity of the bath or greater. Installations will vary.

Control amplifier fits 16" (406 mm) center studs.

Kit is required for under-mount installations (sold separately).

Provide a separate grounded outlet if connecting to a powered wireless device or adapter.

**IMPORTANT!** Due to BLUETOOTH signal overlap, installations of multiple baths within 50 ft (15.2 m) of each other will require special order product. Please contact your dealer, showroom, or sales representative for ordering assistance.
