Thank you for choosing Luxfurni

Product Registration

To determine if you are eligible for an extended warranty, please register your product:

Warranty

Our products come with a limited warranty that covers manufacturing defects and malfunctions. To be eligible for warranty service, please keep your proof of purchase and adhere to any specific conditions of use..

From Humble Beginnings to Industry Leaders

LUXFURNI's story is one of passion and purpose. Our founder, Stella Karen, had a deep love for beautiful and organized spaces, and she realized that there was a gap in the market when it came to jewelry storage solutions.

She was determined to create something that would not only help people keep their jewelry organized but also enhance the beauty of their spaces.

But Stella didn't want to create just any jewelry storage solution. She wanted to create something that was both functional and beautiful, something that would stand the test of time.

LUXFURNI's first products were jewelry cabinets and it later expanded to professional makeup mirrors. From the very beginning, LUXFURNI has been committed to using the highest quality materials and craftsmanship to create products that last. We believe in creating sustainable, long-lasting solutions that will not only benefit our customers but also the environment.

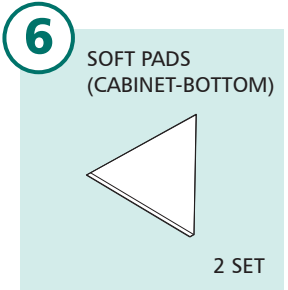

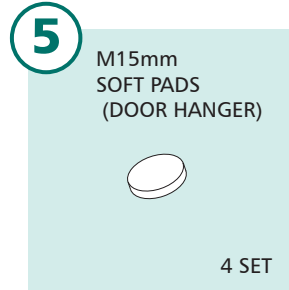

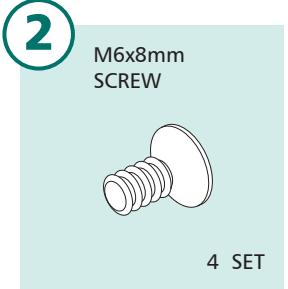

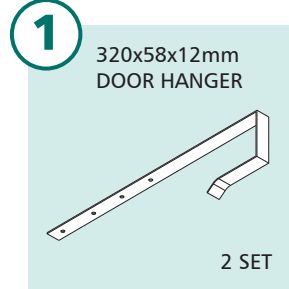

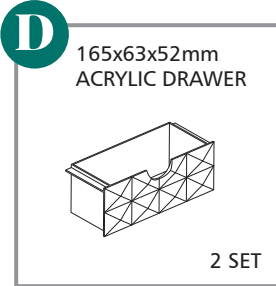

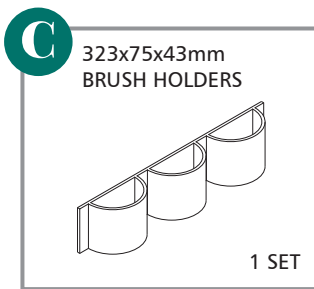

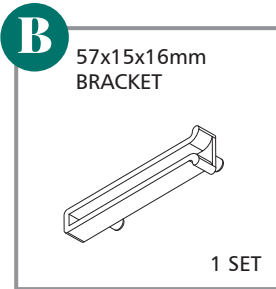

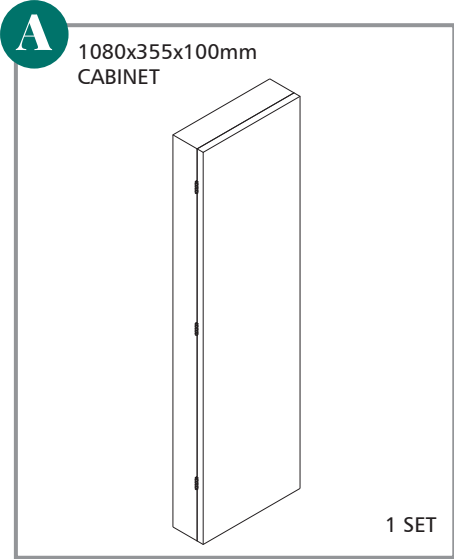

As we grew, we realized that we could do more than just create beautiful makeup mirrors and functional jewelry storage solutions. We could also make a positive impact on the world. In 2011, LUXFURNI made a commitment to sustainability, using eco-friendly materials and processes whenever possible.

We also believe in giving back to our community. That's why we have partnered with organizations that share our values and are committed to making a positive impact on the world.

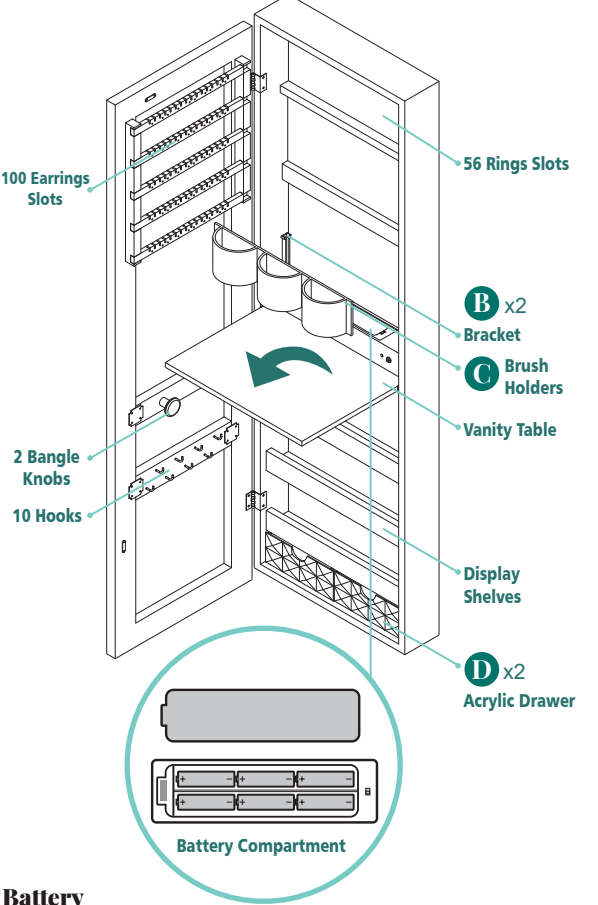

Important Reminders

Please read the important reminders below before you begin with the assembly

- Use the product in accordance with the intended purpose.
- When transferring the product to a third party, please hand on the instruction and safety warning as well.
- During the assembly process, if you need further information, or have special difficulties, which are not included in the instruction, please consult with the manufacturer (LUXFURNI).
- This work is copyrighted and belongs to LUXFURNI.
- No part may be reproduced by any process, including copying, selling, revision, translating, etc. without written permission from LUXFURNI.
- The product is mainly used as a mirror and storage cabinet.
- Do not use the product in a way inconsistent with the manufacturer's instructions or intended purpose.
- The seller does not assume any responsibility or liability with respect to any damage caused by incorrect assembly or improper use.
- Please check if the cabinet body is intact and if the accessories are complete before use.
- Follow the assembly steps shown in the diagram to position and adjust the parts, then gradually tighten all screws (note: do not tighten excessively).
- Tighten bolts and screws every 90 days for optimum performance.

Follow the assembly steps shown in the diagram below

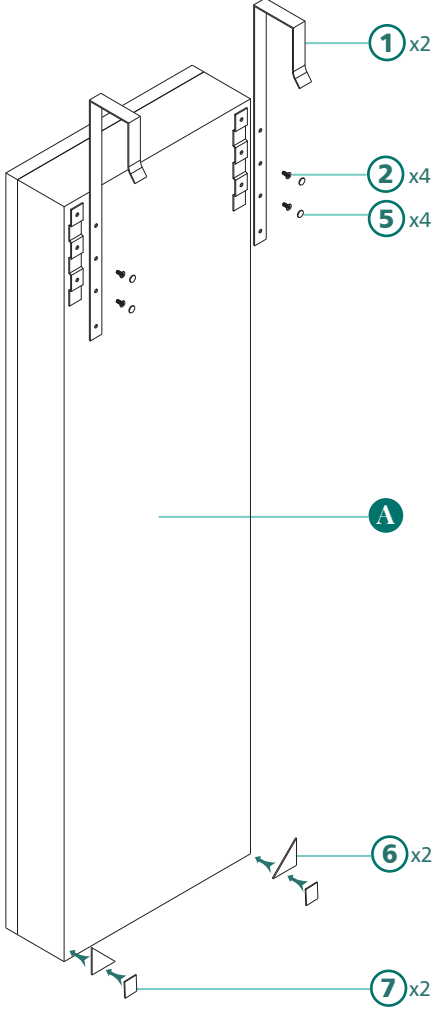

- Battery**
- Remove the battery cover and insert the 6 (AA) batteries
  - Align the batteries to the correct terminals (+/-) and cover
- LED Light Settings**
- Press the left switch to shift to different color temperatures
  - Right switch automatically activates the lights when the table is down
