"We need an affordable solution that will allow us to safely store, charge and share iPads® and Chromebooks™ in small sets throughout the school."

These tubs offer the same function with similar features as our Tech Tub2® line, but open from the top. There are four models to choose from to manage iPads®, Chromebooks™ or a combination of both and the Base Model is perfect for locking up odd-sized tech equipment.

Original Tech Tub® - holds 6 Devices™ (TEC600C)

- Holds six devices including iPads®, Chromebooks™ and other tablets (or a combination of devices)
- Adjustable dividers
- Cable management pocket to keep cables organized, out of sight, and in-line with each device
- 6 outlet internal power strip
- Made from highly durable, heat resistant ABS plastic and vented to ensure airflow
- 2 padlocks with the same keys
- Locking block and pin to lock tub to counters and tables
- Cable management for power strip cord (on back)
- Supports most models of popular brands including 11" Dell, HP, Acer, Asus and Samsung
