

DISH RACK INSTALLATION INSTRUCTIONS

Accessories list

Ⓐ Rack  1PC	Ⓑ Disc rack  1PC	Ⓒ Bracket  2PC	
Ⓓ Water tray  1PC	Ⓔ Drain  1PC	Ⓕ Chopstick barrel  1PC	Ⓖ Cup holder  1PC

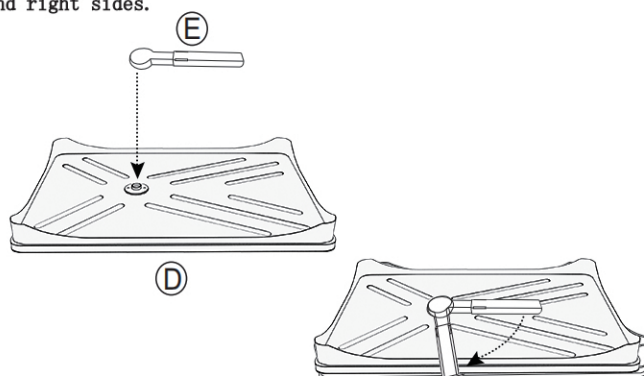

Installation steps

Step 1

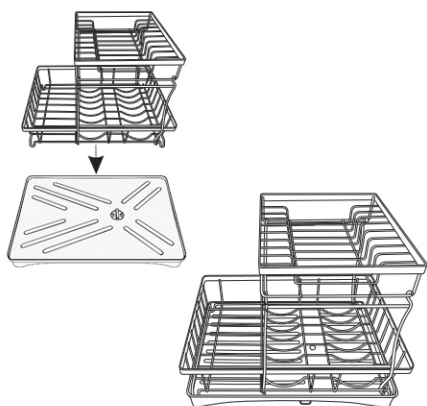

Step 2

Align the drainage channel with the round hole behind the water tray and flatten it, and rotate it freely on the left and right sides.

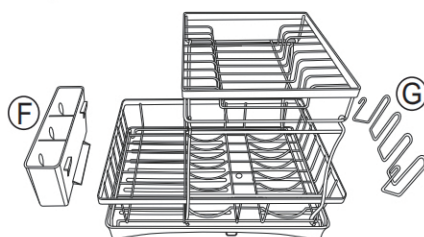

Step 3

Put the assembled dish rack into the water tray.

Step 4

The chopstick barrel and cup holder are stuck on the flat iron box of the bowl holder, or they can be conveniently stuck on the dish holder according to their own taking and putting things.

Step 5

Installation is complete.
