Leafy Vines 2

D2832S56628-4773

Part of a series of six unique botanicals, Leafy Vines 2 is a fine art print of a palmately lobed vine. Against a neutral background, gently curving, intersecting lines bring movement to an alternating pattern of simple and compound leaves. A softer color palette of thistle green and sage compose the body of the leaves and vine, while splashes of hemlock add dimension to an implied center. A carefully curated addition to ART by TA, Leafy Vines 2 incorporates the elegance of botanical illustrations with carefully indistinct forms for a balanced, peaceful presence.
