The Warmest Blue 1

D2811S56216-4697

The Warmest Blue 2 is reminiscent of the work of the iconic German American artist Hans Hofmann, a pioneer of Abstract Expressionism. This canvas showcases a dance of strong geometric patterns that join to create depth and motion in its two-dimensional plane. The juxtaposition of shapes and a subdued palette of indigo, denim, soft charcoal, and rich brown generates a captivating tension and dialogue within the piece. Full of visual interest and masterful technique, The Warmest Blue 2 is an exquisite addition to ART by TA. Pairs beautifully with The Warmest Blue 1.
