

SET UP INSTRUCTION

Step 1

Lay table on smooth surface ground as shown in fig.1

Step 2

Open the table as shown in fig.2

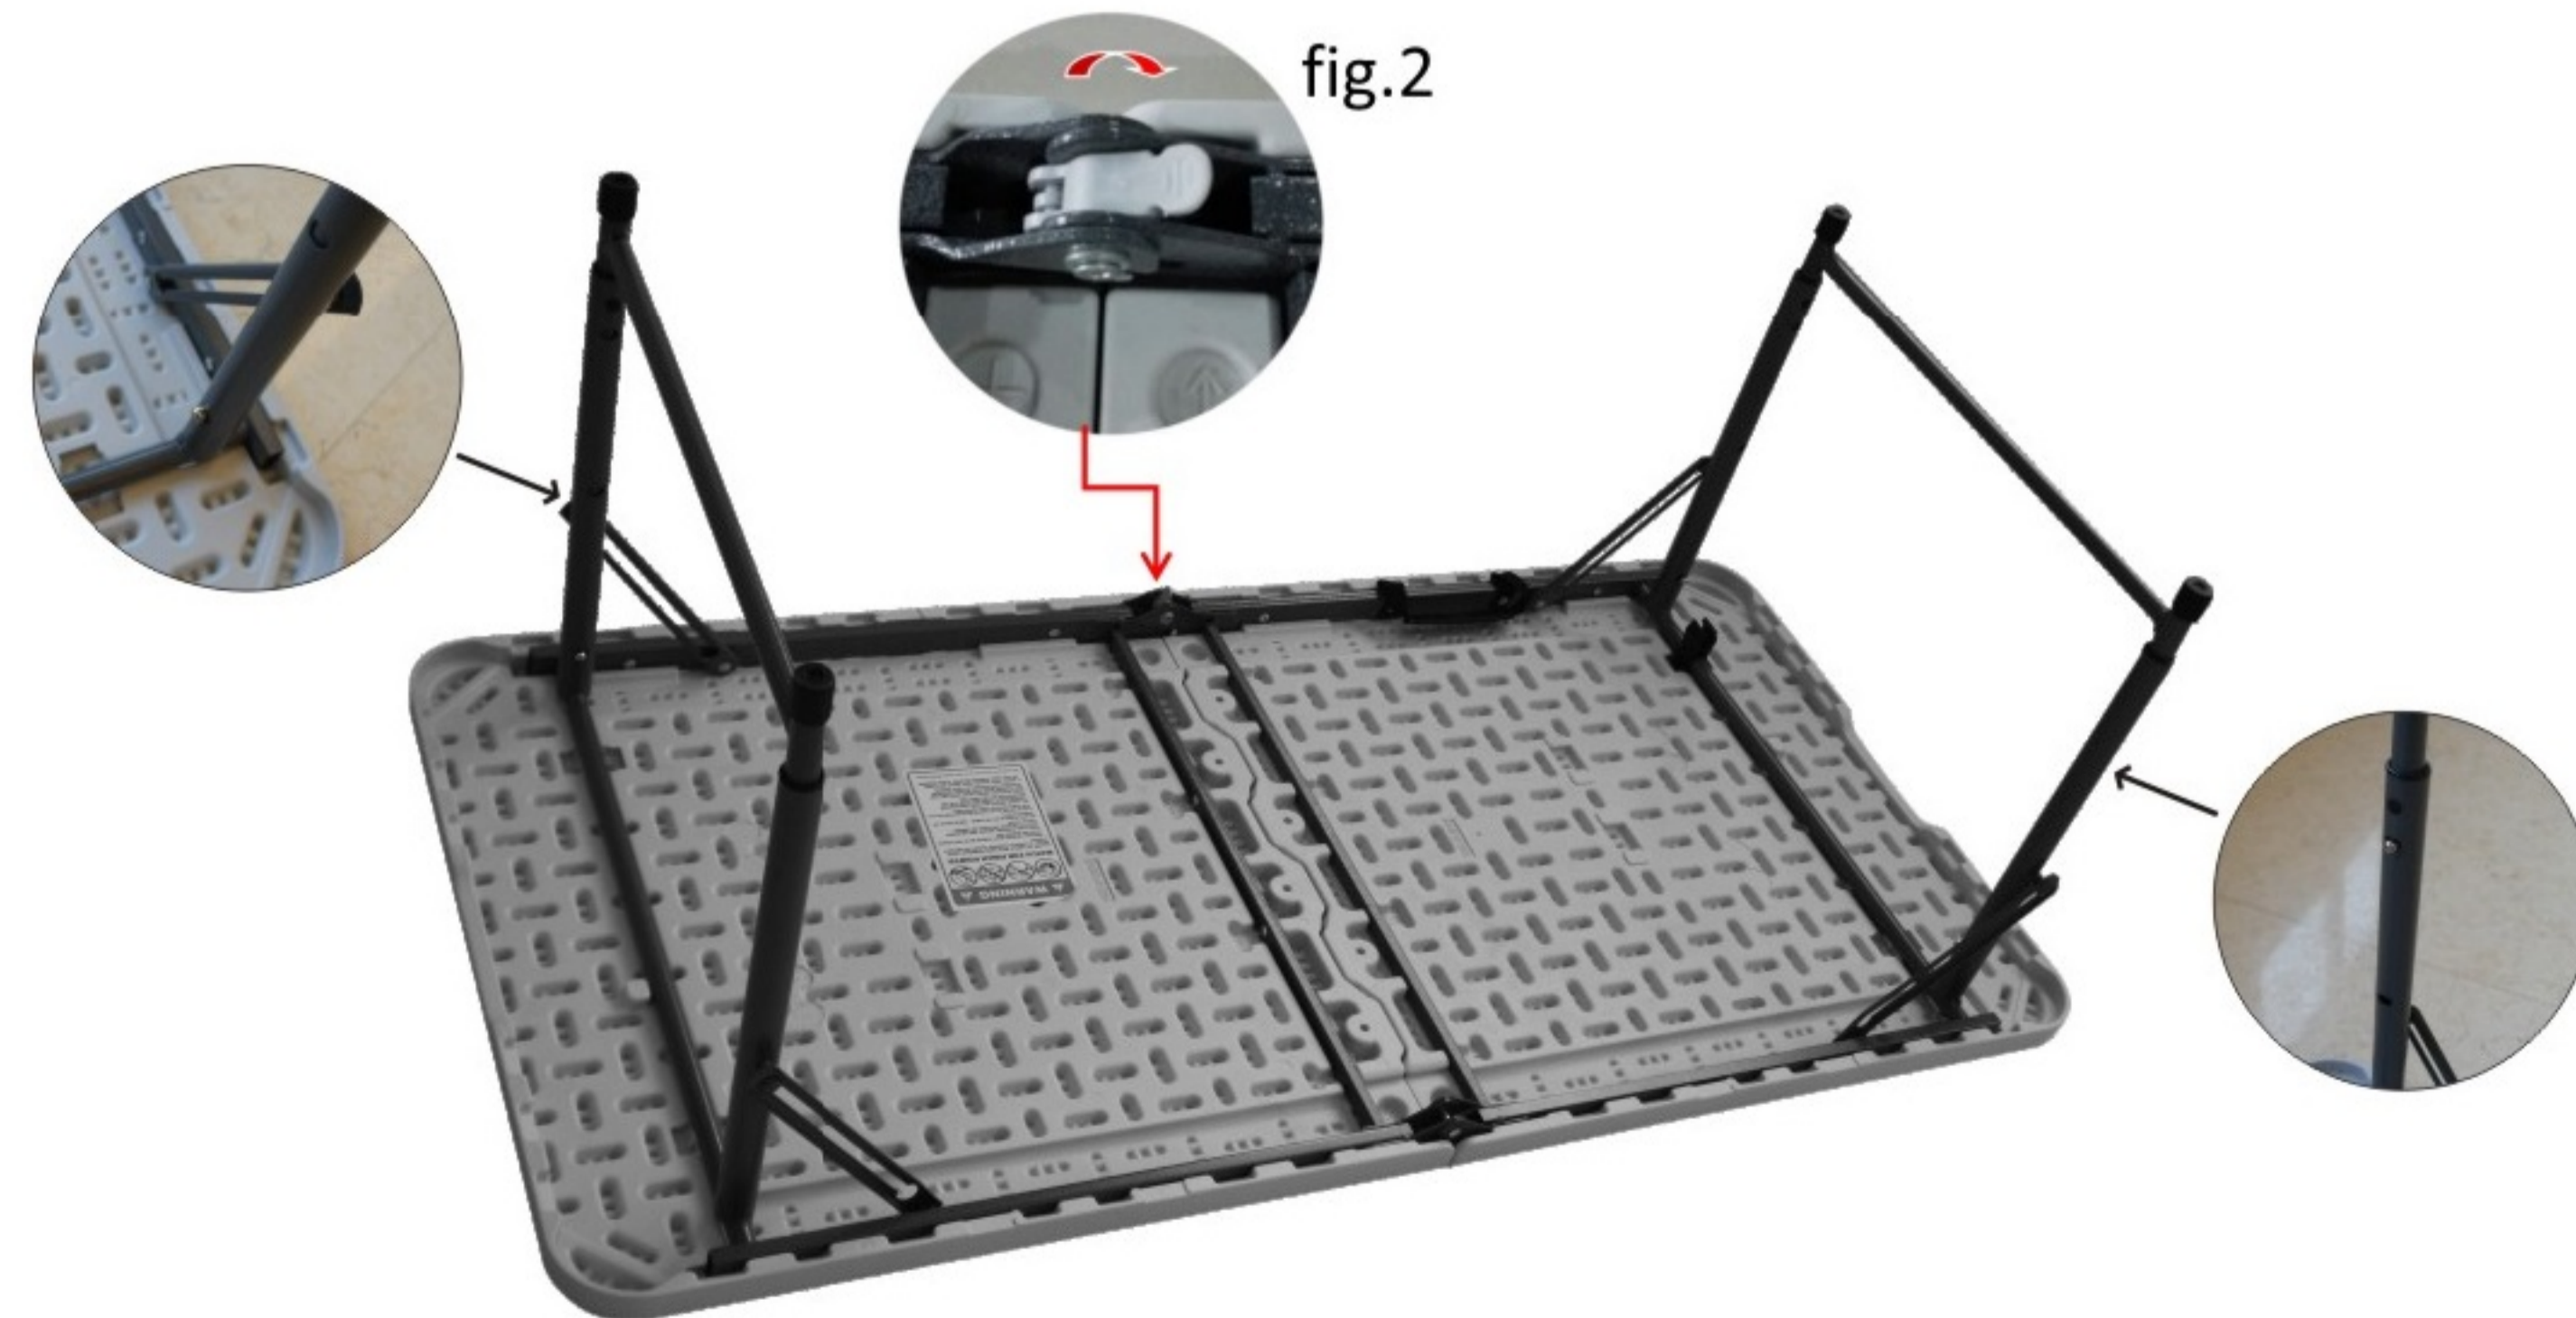

Step 3

Lift the 4 stands to the upright position and it will be automatically locked by 4 sides diagonal support when you hear "ka da". as shown in fig.3.

Then you could extend the leg with Pressing the button

Press the button to adjust the heights to meet your requirements as shown fig 4, there is three heights: 46cm,60cm and 74cm for choice.

STEP 4

Turn table over on its stands with care. Table is ready for use.

To fold away table:

Depress the button and shorten the legs to the shortest, press the both sides diagonal support bar at the same time to unlock the stand and folded the legs. Make sure pulling the side lock trigger up to unlock the table before folding. Left the carry handle outside of the table and secure close the table, now you could lift and carry it with you.

Caution:

Always handle the setting-up and folding-away of the table with great care and watch for pinch points.

Please note maximum capacity of the table is 150kg(330LBS) and spread weight evenly across the table top.
