--	--	--

Installation steps

<p>1. Unfold the basket .</p> 	<p>2. Please use four buckles on Buckle Sides to connect four sides together. (After proper assembly, the basket should appear in a straight line when viewed from the front. If two lines, it indicates that the iron wire has not been clipped to the bottom of the buckle yet. Please refer to the small picture.)</p>  <p>NO 2 lines</p> <p>OK 1 lines</p>
<p>3. Connect four sides together, then finish installation.</p> 	<p>Two using modes:</p> <ol style="list-style-type: none">1. Hang the wire basket on the wall.2. Use it in flat, place it on the shelf or just on the floor.
