F		Nut	10X
G		Round plate	2X
H		Elliptical tube	10X

PIECE	PICTURE	DESCRIPTION	QUANTITY
I		Round tube	1X
J		E12 lamp holder	1X

Step 2
 1. Install E12 bulb (not included) and hang the chandelier to hanging plate (A) to complete installation.
 2. Plug into a socket.

Step 1:

1. Fix hanging hook (A) to ceiling using self-tapping screws (B).
2. Connect E12 lamp holder (J) with upper round plate (G) by round tube (I) and fix the round plate (G) by a nut (F).
3. Attach elliptical tube (H) to upper and lower round plate (G) one by one with nuts and screws, then put on the arc-shaped covers and screw the hanging ring (D) to upper one.
4. Connect hanging chain (C) to the arc-shaped cover (E).
