Screw assembly ① clockwise into Base④ without② and ③.

### DESCRIPTION

- ◆Weight: 1.2 kg
- ◆Input current: 1A - 2A
- ◆Material: Head - Aluminium alloy, Shelf- Iron
- ◆ Voltage supply: DC5V
- ◆ Height: 70~183cm
- ◆ LED number:72PCS

## OPERATION INSTRUCTIONS

Turn the lamp on / off

1. Press the A switch into position O to turn the light off.
2. Position II and position I of A switch, can adjust the color temperature (warm light and cold light) .
3. B switch can adjust the brightness.

## CAUTION

1. Inspect the wire insulation for any cuts, abrasions or exposed copper that may have resulted during shipping. If there is a defect in the wire, DO NOT continue the assembly operation.
2. This lamp is designed for illumination in dry indoor rooms. It is not suitable for use in damp rooms, e.g. bathrooms.
3. Keep children away from packaging -risk of suffocation! Keep children away from the lamp, and do not leave them unsupervised with the lamp.
4. Do not touch the lampshade during operation, as it becomes very hot. Do not look directly into the light source! Your eyes could be damaged.

## PRODUCT MAINTENANCE

1. To clean simply wipe with a soft dry cloth.
2. Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the fixtures finish.

## ELECTRICITY - RISK OF ELECTRIC SHOCK

1. Keep the lamp away from humidity.
2. Connect the lamp only to outlets corresponding with the technical data of the lamp.
3. Before cleaning or if the lamp is not to be used for a long period, unplug the lamp from the mains power supply.
4. During storms unplug the lamp from the mains power supply. When removing the plug from the socket, always pull on the plug and not the cable.
5. A damaged cable must only be repaired at your local electrical store.
6. Do not use the lamp if it is damaged or if the connecting cable shows any kind of visible damage.

## IMPORTANT

The input current(Adapter) CAN NOT be more than 2.0A(DC5V).

When you plug in the DC adapter, pay attention to the risk of short circuiting.

**CONSULT A QUALIFIED ELECTRICIAN IF YOU HAVE ANY ELECTRICAL QUESTIONS.**
