## Notice:

Modular sofas consist of several modules as described above, but not all types are included in every sofa set.

You can extend your sofa at any time by ordering new modules.

### **Please note the following points when assembling your sofa:**

- ① Screw all the legs of the sofa tightly before starting to connect these modules
- ② Put these modules together should be done in right-to-left order
- ③ Connect the Right Amrest and all Seat Frame first, then the Backrest and Left Armrest

W

## Step11:

Follow the arrows to connect the Right Armrest and each Seat Frame in right-to-left order. If your sofa does not contain a certain module, skip it and connect to the next one.

## Step12:

Connect each Backrest and the Left Armrest in right-to-left order.

## Step13:

## Step14: Done
