(B)- Screw
x2

(C) - Wall Plug
x2

installation instructions

Friendly Tip: Take a deep
breath going in.

This is easy even if you are not
used to tools. Just follow these
steps to the T, and the
outcome will be
worth it!

step 1:

Measure the distance between the two sawtooths using a measuring tool.

step 2:

Place the measuring tool against the wall and make two marks where you want to mount the medallion.

step 3:

Drill holes at the points you just marked.

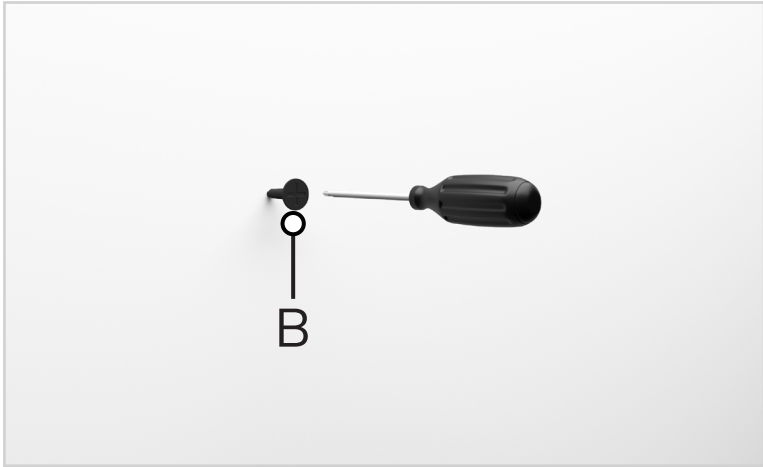

step 4:

Using a hammer, insert the wall plugs (C) inside the holes.

step 5:

Fix the screws (B) into the wall plugs (C). Use a screwdriver to make sure they are secure.

step 6:

Place the sawtooths over the screws.

Voila! Your medallion is now installed and secure!
