

Installation steps:

1. Fix the mounting bracket on the junction box with screws
2. Connect the main wire of the lamp body to the wire reserved on the junction box
- 3-4. Cover the canopy on the mounting bracket and fix it with screws

Notice:

1. Before installation, please check whether the parts are complete and whether the lamps are in good condition.
2. Cut off the power supply before installation, and then perform wiring.
3. Install the lamp body first, and then install the power supply.
4. Installation and maintenance must be carried out by professional and technical personnel.
