Questions, problems, missing parts?

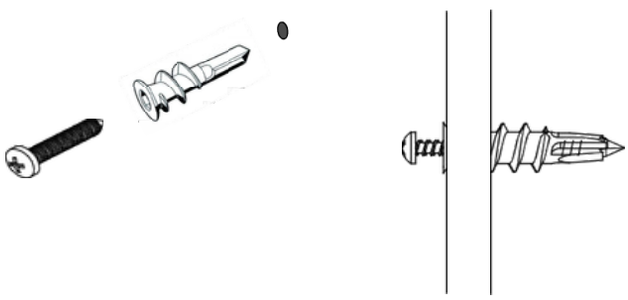

The hardware included with this item is meant for dry wall mounting only. If other wall types, please consult your local hardware store for assistance

1

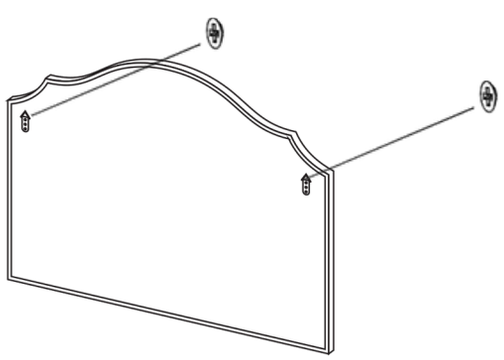

Paste the **position map** horizontally on the position to be installed and mark it with a pencil.

2

Drill two 1/8″ pilot holes in wall for each **Plate** .
Screw the plastic **Anchors** into the holes until flush.
Screw the screws into Anchors until 1/4″ from wall.

3

Cleaning

Avoid using commercial or abrasive cleaners. Using only a soft damp cloth will preserve the finish.
