Hello,

Thank you for choosing ExacMe weather cover.

Our weather cover is designed to provide protection from dust, sunlight, rain, snow, and other harmful weather conditions all year around.

If there is any part defective or missing, please contact us at SALES@EXACME.COM or 877-608-0775 before assembly.

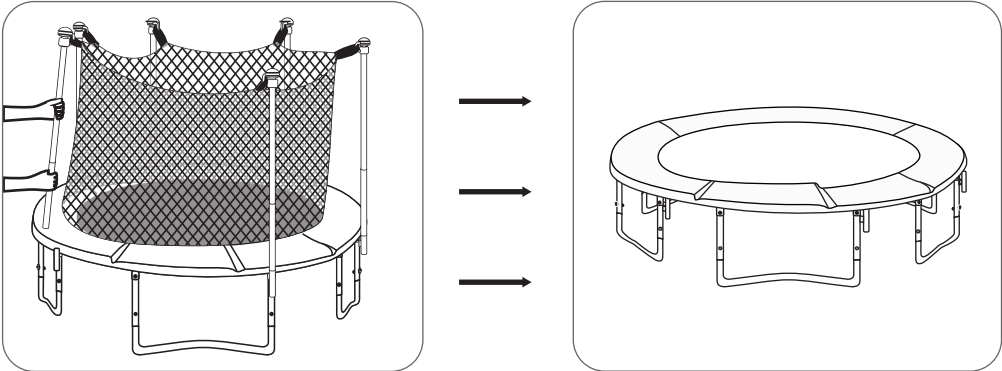

01 PART LIST

Weather Cover	Cover Support		
	Base	Pole	Cap
A	B	C	D
			

02 ASSEMBLY

- Thanks to the drainage holes design and the extra middle support, this weather cover is not easy to accumulate water in raining/snowing days. And it can also be used separately as a dust cover in sunny/windy days.

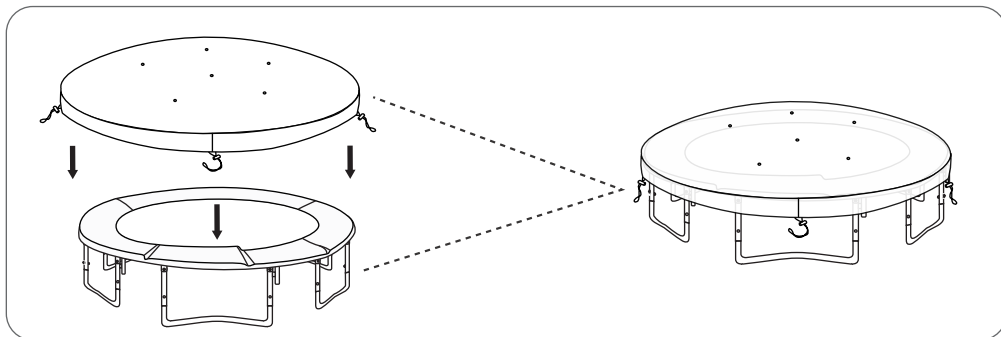

⚠ Ensure to remove the enclosure net and poles and store them away (if any) before assembly.

Usage 1 Use separately as a dust cover

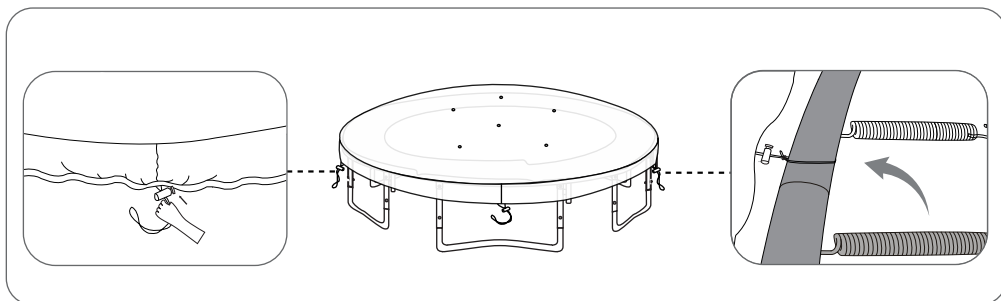

Step 1 Lay the weather cover flat on the ground.

Then 2 people gently lift the cover at each side and position the cover over the jumping mat until it fully cover the trampoline.

Step 2 Fix the cover on your trampoline frame.

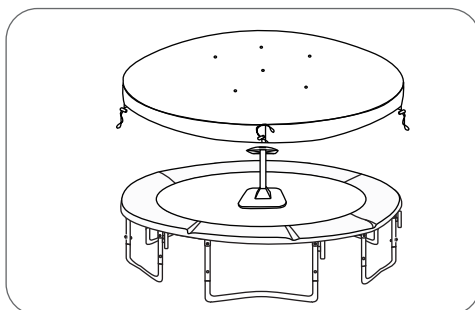

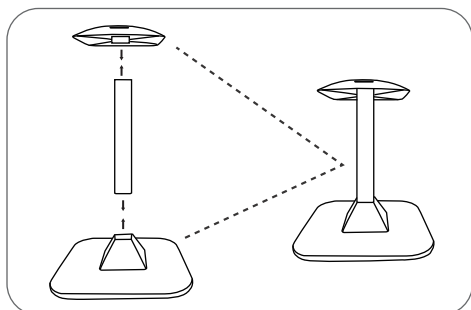

Once the cover is positioned correctly, tighten the drawstring between the skirt to wrap the trampoline frame, then tie it on the trampoline frame firmly.

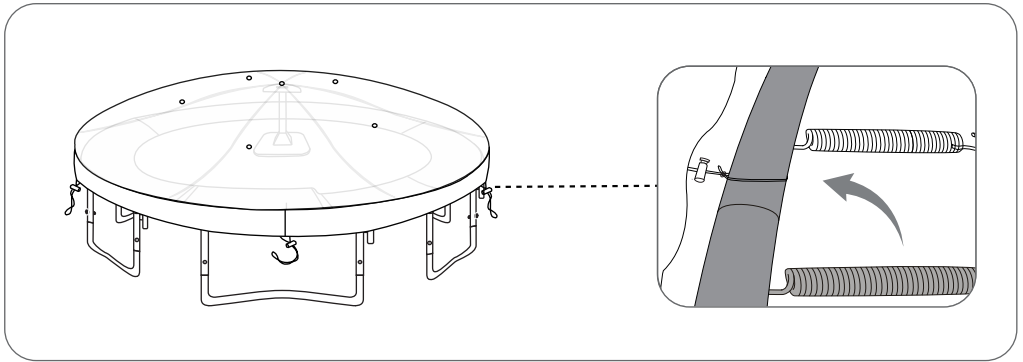

Usage 2 Use along with the support as a rain cover

Place the support in the middle of the jumping mat after assembly.

Then position the cover on your trampoline and fix it on the trampoline frame tightly.

03 CARE AND MAINTENANCE

⚠ Do not jump on trampoline when the all weather cover is installed.

- Regularly clear the snow from the cover with a soft bristle broom.
- Careful cleaning of the cover before packing it away, ensuring it is completely dry.
- Do not use harsh chemicals, or abrasive cleaning implements or brushes to clean the cover.

04 WARRANTY

- 3-month limited warranty.
- ExacMe does not cover products which have been abused, altered, damaged, misused, cut or worn.
- Third-party purchases are not covered.
- ExacMe will pay standard shipping rates on all warranted parts within warranty period. We can also sell you replacement part for a discount price when your item is out of warranty.

05 RETURN

30-day return for unused and unopened product.
