

MG02290 Fibre Cement Pots

Thank you for purchasing this product

Please read the instructions and guide carefully before use to ensure full satisfaction

Colour disclaimer

Color may vary slightly from product images due to differences in the light source (e.g., sun, fluorescent, incandescent), monitor display settings, and individual perception

Care instructions

Wipe down surfaces with clean water and a mild soap/vinegar and a soft, non-abrasive cloth. Do not use metal brushes or tools that will scratch the surface. Be sure all of the soap residue has been wiped away. Dry unit by hand.
