

User Manual

T5040

Welcome

Thanks for purchasing the **Kid Sand Water Table**.
Please read this user manual carefully before use.

**For easy assembly, please
scan the QR Code here.**

Package List

Note:

1. The color of accessories is randomly delivered.
2. If parts are missing or damaged, please take several photos. Circle the needed parts on the package list and specify part names clearly (e.g., basin, table leg, chair seat, chair leg). This ensures we send accurate replacements promptly as long as the items are in stock.

Specification

- * Material: ABS
* Applicable Age: 3-6 Years Old

Safety Warnings

■ Assembly Precautions

Small Parts Hazard:

Before assembly, ensure all small accessories are kept out of children's reach.

Adult Supervision Required:

This product must be fully assembled by an adult following the instructions. Do not allow children to handle tools or small parts during assembly.

Inspect Components:

Check that all parts are correctly attached and tightened. Loose or missing components may pose a choking or ingestion risk. Discard any damaged or small pieces immediately.

Panoramic Assembly Display

■ Playtime Safety

Choking Hazard:

Do not let children put small accessories in their mouths. Always supervise play to prevent accidental ingestion.

Secure Storage:

After play, store all small parts in a high, locked cabinet out of children's reach. Do not leave accessories unattended where children can access them unsupervised.

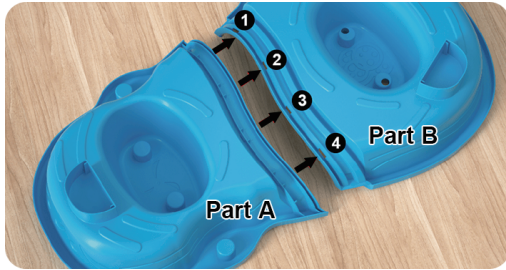

Kindly Note:

This product is intended for children aged 3-6 years old. Failure to follow these warnings may result in serious injury. If any small parts are swallowed, seek medical attention immediately.

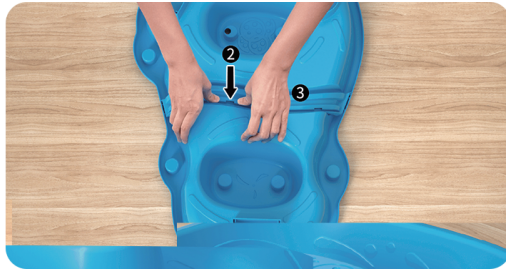

More Assembly Details
