

USER MANUAL

DEAR CUSTOMER,

Thank you for choosing our product. Please read this manual carefully before assembling or using the product to avoid damage caused by improper use. Please pay special attention to the safety instructions. If the product is passed on to third parties, this manual has to be passed on along with the product.

ASSEMBLY

Caution: When connecting the cables with the lamp wiring, make sure that the live wire of the cables is connected to the "L" terminal while the neutral wire "N".

8. The grounding and bonding of the overall system shall be done in accordance to local electric code of the country where the luminaire is installed.
9. The minimum distance from the lamp to any lighted objects shall be kept at least 0.5 m.

10. Replace original parts without permission may cause injury.
11. Use a soft cloth and only non-corrosive detergents for cleaning.
12. Installation to be performed by trained or qualified personnel. Ensure this manual is provided to the installers or users.
13. If you have any questions or need further assistance, please feel free to contact our customer service for support.

ENVIRONMENTAL PROTECTION

Please dispose of the unit, its accessories and packaging environmentally friendly and do not dispose of them with household garbage (2012/19/EU). Within the EU, this symbol indicates that this product may not be disposed of with household waste. This article contains valuable recyclable materials and should be fed to a recycling system to protect the environment and human health that could be damaged from uncontrolled waste disposal. Please dispose of the product using appropriate collection systems or send the product for disposal to the place where you bought it. From there the product will then be delivered to recycling. Recycling alternative to returning the product: As an alternative to returning the item, the owner is obligated to contribute to the proper recycling in case of property disposal. To do so, the used appliance can also be handed over to a collection point which performs a disposal according to the national recycling management and waste law. To receive information regarding public collection points, please contact the responsible local authority.

WARNING

1. Read all the instructions completely and carefully before installing the lamp. Keep the manual in a safe place for future reference.
2. The ceiling lamp is for indoor use only.
3. Do not immerse the power cord, connector or other parts of this lamp into water or other liquids to avoid electric shock.
4. Do not use the ceiling lamp if it is damaged, eg. the power cord is defective, or the lamp malfunctions.
5. Risk of electric shock! Turn off the power before performing installation, inspection or maintenance.
6. Risk of fire! Use only approved wire for input / output connections.
7. The LED luminaire must be connected to the mains supply according to its ratings on the nameplate.
