

PRODUCT CATALOG

We are the leading provider of pet products in the USA that specializes in quality and affordability when it comes to products for your pets.

Our team has been in the pet industry for more than 15 years. As pet lovers, we knew we wanted to make something with the highest quality but affordable for all. Our products are, but not limited to travel accessories like Soft Dog Crate, Soft Pet Playpen, Classic Pet Airplane Carriers & Backpack, and Booster Car Seat etc. Outdoor & Car Series Products. We also carry Pet Deshedding Brush, Classic Dog Collar, Leash and Harness with a wide range of sizes available for Canada and United States. We are expecting to have a lot of new products in the future. We constantly design and bring new products to the marketplace and help pet parents to raise healthy and happy pets.

We are very passionate about taking care of our customers. Our primary concerns are that everything we make is safe for pets and their owners, a quality item, and has great value for the price. So please do not hesitate to call us for any questions. Our staff are knowledgeable, helpful and always ready to assist you with your shopping experience.

We are currently expanding our wholesale business. Also, we offer drop ship fulfillment, private label, and custom manufacturing at very competitive pricing within the industry. If you would like to carry our products, please contact us.

Booster Car Seat

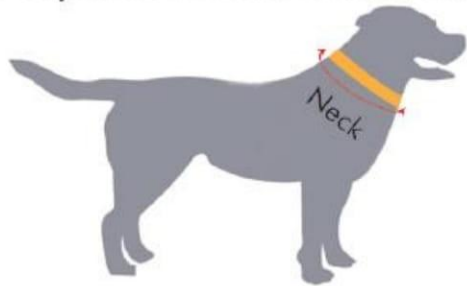

The Booster Car Seat can allow your pet to look out the window, this design is made to keep him/her safe, secure and out of your lap which might interfere with your driving and cause accidents. The comfortable Sherpa seat allows your pet to snuggle down on longer journeys and is machine washable so he can always enjoy a clean and fresh road trip. This booster seat also comes with an adjustable tether to attach to your dog's harness or collar, allowing you to keep your pup locked in and safe.

- Keeps small dogs, up to 24 pounds, safe and contained during car rides.
- Adjustable tether attaches to any harness for a safe and secure ride.
- Metal supports provide structural integrity and collapses for easy storage.
- Front zipper pocket for extra pet essentials.
- Removable fleece cushion for comfort.

Classic Solid Dog Collar

The Classic Solid Dog Collar is a simple yet stylish collar that comes in a variety of colors and sizes so you can find just the right one for your dog. The classic design makes it easy to put on and remove, so it's great for everyday wear on your daily walks. This classic collar prepares your pup for adventures outdoors and provides comfort and security. To easily and securely attach your pup's leash, simply clip it onto the D-ring, and you're all set. Pick your favorite color or several so your dog's diva can model a different color each day.

Hands-free bungee leash

Size: 48 x 1 inch

The Hands-free bungee leash provides an adjustable waist belt, two handles, and a short length to keep your buddy close by, but without getting underfoot. The-go to leash for essentially any situation, it works by attaching to a lightweight, reflective waist belt so you can have both your hands back.

- Hands-free bungee leash features a 48-inch lead that extends up to 60 inches, and is designed to absorb shock.
- Leash attaches to the included adjustable waist belt, which features a heavy-duty clip and comfortable fit.
- Two control handles can be easily grabbed to help keep your dog close in crowded areas.
- Perfect for running, hiking, or using the phone while walking your dog.

Classic Padded Dog Harness

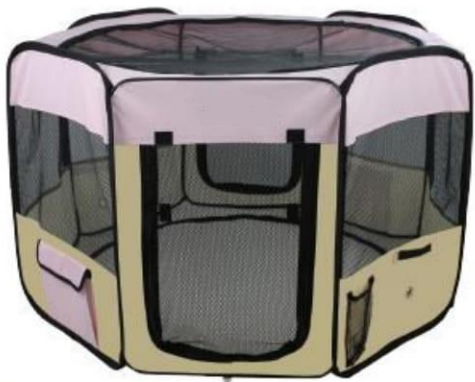

The Classic Padded Dog Harness is a great option for pet parents looking for a comfortable harness that will give them additional control on their walks. It's made from high-quality webbing for durability and a padded mesh chest piece for the ultimate in comfort.

- Adjustable chest and neck straps provide a custom fit. The metal D-ring allows for durable, easy leash attachment.
- Padded mesh chest piece with O-ring leash attachment helps deter dogs from pulling by redirecting their attention back to you without straining their neck.
