

INSTALLATION INSTRUCTIONS

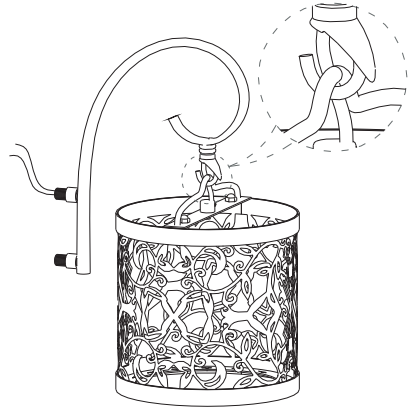

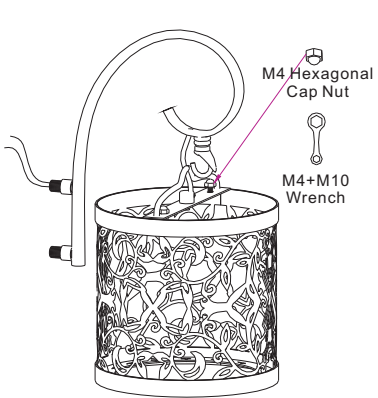

Warning!

1. Installation should be performed by a professional.
2. To prevent electric shock, please turn off the power before installing, repairing, or cleaning the light fixture.
3. This light fixture operates only within 110V-265V.
4. Do not install the light fixture in damp conditions.
5. Keep the light fixture away from acidic and corrosive materials.

Package Includes

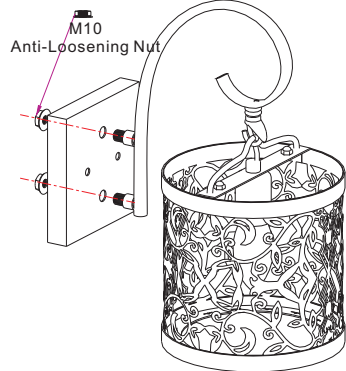

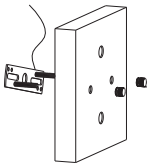

Installation Steps

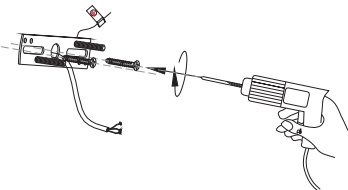

1. Attach the patterned lampshade as shown in the figure and tighten it with an M4 hexagonal cap nut and wrench.

2. Hook the patterned lampshade onto the open ring as shown in the figure.

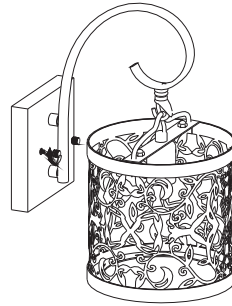

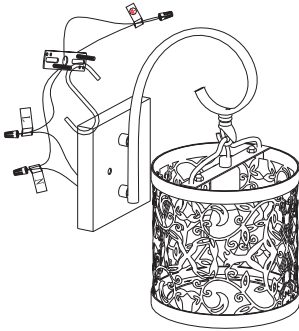

3. Separate the wall box from the mounting bracket.

4. Secure the box to the lamp arm with an M10 anti-loosening nut as shown in the figure.

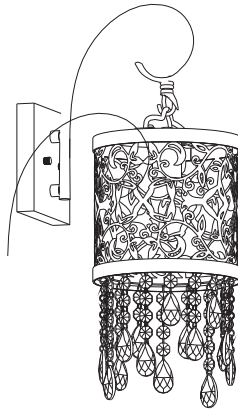

5. Secure the mounting bracket to the wall with special screws.

6. Hang the lamp body securely using a hook. With the power turned off, connect the main power supply lines (L and N) to the corresponding wires on the lamp body using wire nuts.

7. Align the holes of the lamp mounting bracket with the mounting bracket screws, push it flush with the wall, and tighten it with an M5 decorative nut.

8. Start from any point and hang the crystals from the bottom of the lampshade as shown in the figure. The entire lamp installation is complete!!!
