TRANSPORT AND INSTALLATION

1. The TV TABLE should be especially protected against rain, moisture and crushing by heavy objects during transportation, in order to avoid quality problems during use.
2. Please make sure that the TV TABLE has the safe access required for its entry before it enters your place of use.
3. Cabinets are mainly fixed installation, a few are dismantling TV TABLEs. When purchasing a cabinet, please give full consideration to the size of the door frame and the movable space of the entrance door. If necessary, ask a professional to disassemble the cabinet and reassemble it after entering the house, so that it will not damage the TV TABLE's internal structure, seating sensation and surface effect.

CAVEAT

Please read all instructions before use.

If in any doubt about safety, contact a specialized technician for inspection. When using this product, basic safety precautions must be observed to avoid the risk of injury to persons, including the following.

1. Do not use this product in high humidity environments.
2. Do not store or use this product outdoors or in direct sunlight.
3. Someone must be present to watch over children, disabled people or people with reduced mobility when they are near or using the TV TABLE.
