ASSEMBLY INSTRUCTIONS

HEXTON CHESS & GAME TABLE

STEP 1

Remove the **chessboard insert (P2)** and any accessories stored inside the **tabletop (P1)**.

place the tabletop (P1) upside down on a clean, flat and soft **surface to prevent damage**.

Detach the leg plate (P3) under the top (P1).

ASSEMBLY INSTRUCTIONS
HEXTON CHESS & GAME TABLE

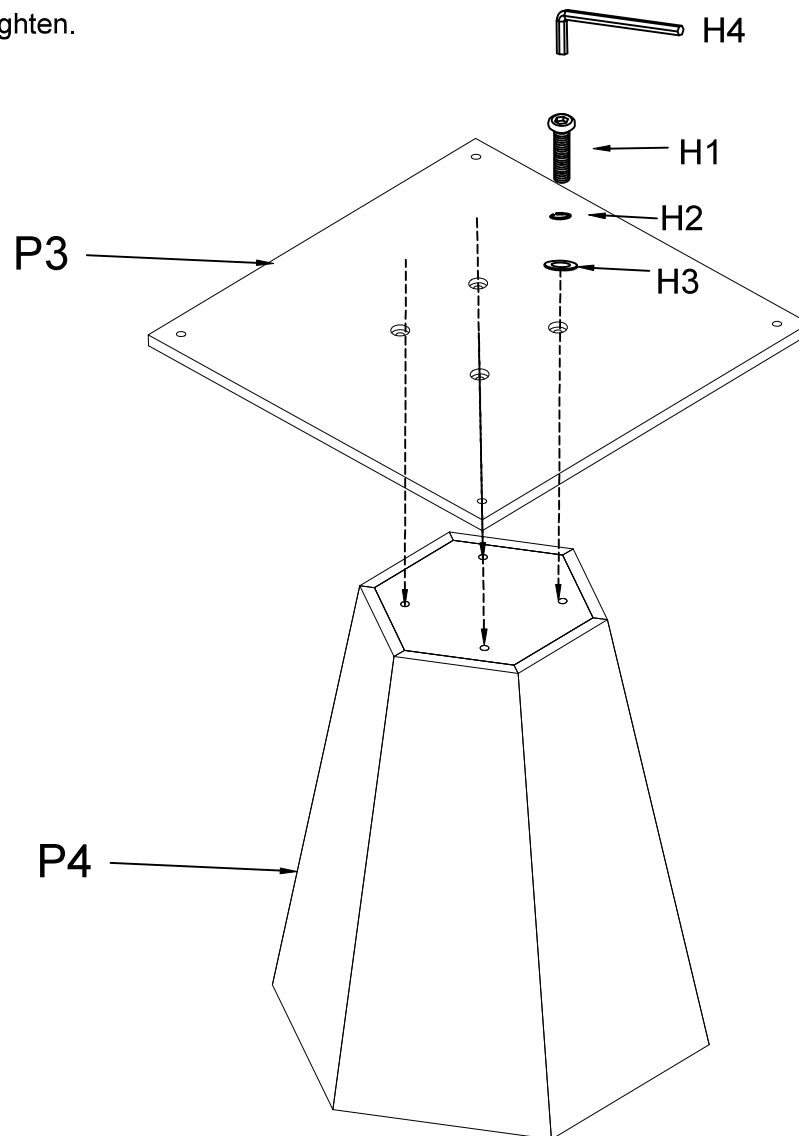

STEP 2

Attach the **leg plate (P3)** to the **base (P4)** as shown.

Secure using:

- (H1) Bolts
- (H2) Lock Washers
- (H3) Flat Washers
- (H4) Allen Wrench

Do not fully tighten.

ASSEMBLY INSTRUCTIONS

HEXTON CHESS & GAME TABLE

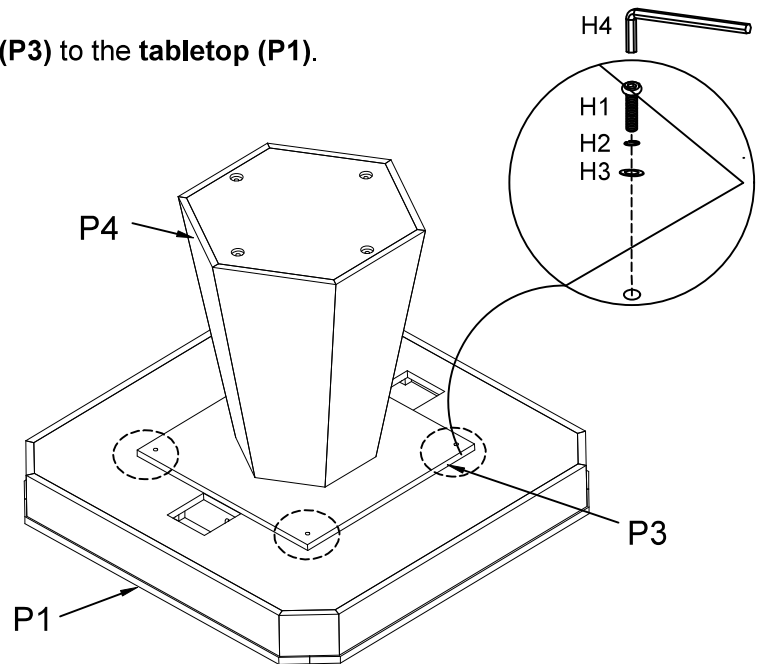

STEP 3

Attach the assembled base (P4) and leg plate (P3) to the tabletop (P1).

Secure using:

- (H1) Bolts
- (H2) Lock Washers
- (H3) Flat Washers
- (H4) Allen Wrench

Fully tighten all hardware.

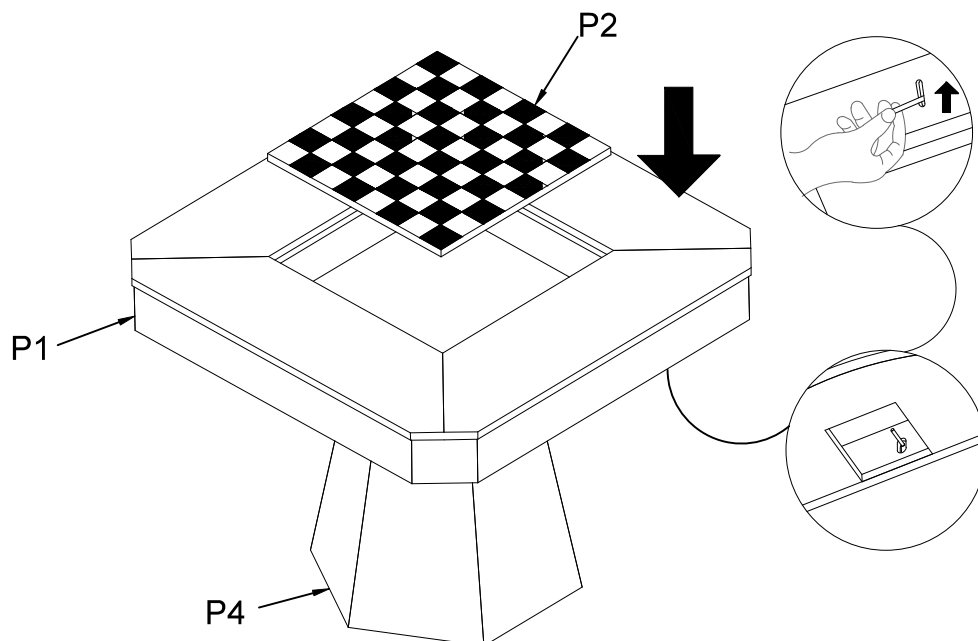

STEP 4

Place the table in the upright position.

Reach underneath the tabletop to locate the metal lifting rod hardware installed beneath the table frame.

Use your finger to push the metal lifting rod hardware upward.

Once the metal lifting rod hardware is pushed up, the Chessboard Insert (P2) will pop up slightly from the tabletop, allowing the user to easily remove, flip, or reposition it.
