Parts Details

Step 1

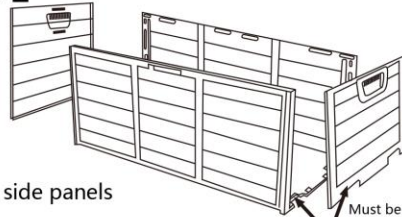

Fix the front and back panels

Note: Put the flat face upwards

Step 2

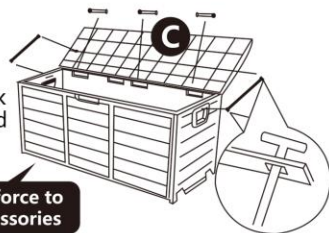

Fix the side panels

Must be at the same side

Step 3

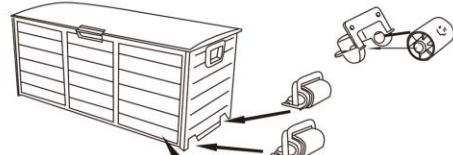

Fix the lid to back panel, 3 bolts and 2 keepers

It needs a great force to install these accessories

Step 4

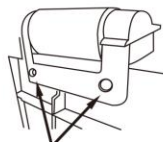

Fix the wheels

The wheels can't be used until the box is raised to a certain degree

The wheels should be inserted slantwise. Please insert the bottom edge into the groove of the wheels frames.

Please click the 2 holes on the frame exactly with the plugs of the bottom panel.
