Laptop Pole Mount

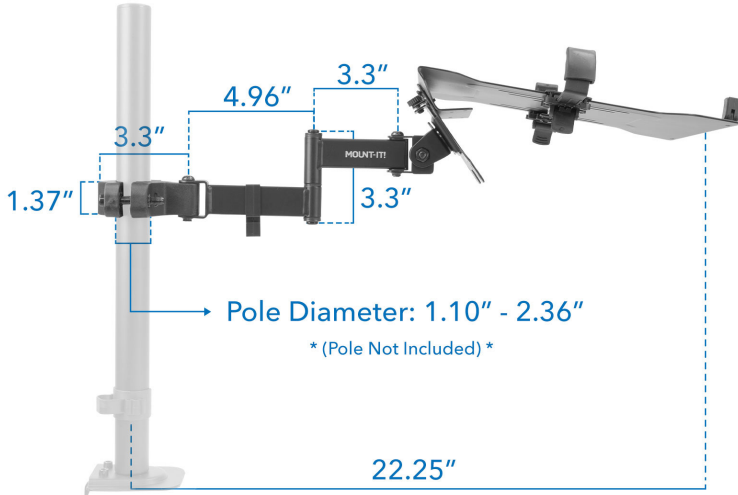

Raise your laptop to a more comfortable level with this laptop desk mount. The vented surface allows warm air to escape easily from beneath your laptop and prevents it from overheating. Tilt and swivel the tray for the best working position. Keep your desk clean and neat with the included cable management clips.

- Creates an alternative laptop mounting solution for poles
- Works with any laptop 15.6" or less
- Ventilated tray keeps your laptop cool
- Expandable clamps to lock the laptop in place
- Ideal for saving space and improving ergonomics
