LIBERTY[®]GARDEN PRODUCTS, INC.
1161 SOUTH PARK DRIVE, KERNERSVILLE NC 27284

IMPORTANT: READ THE OWNER'S MANUAL BEFORE ASSEMBLING

TOOLS REQUIRED: TWO ADJUSTABLE WRENCHES & HAND PUMP

Estimated Assembly time: 30 minutes

PARTS LIST

A. SPOOL (1)

B. FRAME (1)

C. TIRES (4)

D. U-HANDLE (1)

E. LEADER HOSE (1)

F. AXLE ROD (2)

Important! Some of your hose cart parts below will come factory assembled.

G. U-BUSHING (1)

H. RUBBER HANDLE W/BOLT (1)

I. BRASS SWIVEL (1)

J. 1.75 BOLTS W/LOCK NUTS (4)

K. GALVANIZED TEE (1)

L. 1.44 BOLTS W/WING NUTS (2)

M. AXLE WASHERS (4)

N. AXLE NUTS (4)

IMPORTANT: LAY OUT ALL PARTS AND FASTENERS. MAKE SURE ALL PARTS ARE ACCOUNTED FOR. IF ANY PART IS MISSING PLEASE CONTACT LIBERTY GARDEN PRODUCTS AT **1-866-820-5805**. **DO NOT CONTACT THE RETAILER.** YOU CAN ALSO VISIT OUR WEBSITE, WWW.LIBERTYGARDENPRODUCTS.COM, FOR MORE INSTRUCTIONS PICTURES AND HELPFUL HINTS.

1. Turn Frame **(B)** on it's back. Insert Axle Rod **(F)** thru the axle bushing on the frame. Repeat. **See Figure 1**

2. Place the tires **(C)** over the axle with the air valve facing out. Place the axle washer **(M)** over the thread and screw on the axle nut **(N)** and tighten securely. Repeat for each remaining tire. **See Figures 2 & 3**

3. Set the cart upright on the tires.

4. Insert the Brass Swivel **(I)** through the U-bushing **(G)** and screw the end of the swivel into the galvanized tee **(K)**. **See Figure 4**. Using a wrench, tighten the swivel into the galvanized tee. Tighten securely but do not over tighten. Over tightening the swivel could cause leakage.

5. Screw the galvanized tee **(K)** onto the spool end **(A)** Tighten with wrench. **See Figure 5**

6. Place the spool **(A)** on the frame **(B)** so the bushings are oriented over the holes on the frame. You may have to compress the spring to get the spool oriented properly.

7. Using the 1.75" bolts **(J)**, insert them thru the bushing and thru the holes on the frame **(B)**. Attach lock nuts. Repeat for other side of the spool. After the 4 bolts and nuts are attached you may tighten the nuts.

See Figure 7

8. Slide U-Handle **(D)** over the frame extensions and align the holes. Insert 1.44" Bolts **(L)** thru handle holes and attach wing nuts. Hand tighten. **See Figure 8.**

9. Attach rubber handle **(H)** to crank handle using handle bolt and nut. Tighten securely. **See Figure 9**

FILLING THE TIRES WITH AIR:

The recommended pressure for the tires is **15 PSI**.

WARNING! DO NOT OVERINFLATE!

Over inflation could cause the tires to explode. A **hand pump (bicycle pump)** is highly recommended when inflating the tires. If a compressor is used, use with extreme caution! These tires are small and pressure can build quickly.

10. Attach the Leader Hose **(E)** to the end of swivel. **DO NOT OVER TIGHTEN.** **See Figure 10**

11. Attaching Your Garden Hose:

The 870 is designed to hold up to 300' of 5/8" garden hose. Attach your hose to the brass adapter on the galvanized tee. Loop the hose over the spool end (as shown) to avoid kinking. **See Figure 11**

Your Model 870 hose cart is now ready to use. Attach the end of the leader hose to your water supply.

CARE INSTRUCTIONS

Rust

Your hose reel will give you many seasons of reliable and functional hose storage. As with any steel product, there is always the chance for rust developing over time. Your hose reel finish is designed for industrial applications, but even the toughest of coatings can be compromised by scratches. Such minor surface damage can occur in shipping despite our best efforts. We have found that most scratches occur during assembly and/or installation. If the base metal is exposed to the elements long enough, rust will develop. We recommend that you periodically inspect your reel for any surface damage. Scratches can easily be repaired by using standard automotive touch-up body paint. Some of our most loyal customers recommend that at the end of each season, the unit be cleaned and painted with a clear acrylic paint. Two other sources of rust acceleration is exposing the reel to yard fertilizers or leaving your hose reel standing in grass. Be sure to rinse off your hose reel after it comes in contact with freshly fertilized grass. Also, try to park your hose reel on solid ground. Leaving it standing on top of vegetation promotes condensation on the undercarriage of the unit.

Leaks

Your hose reel is manufactured with the finest quality components available. All components are manufactured to rigorous quality standards not common in other consumer grade hose reels available today. When you install your hose reel, be sure the hose washers are in place and all fittings are secure. **DO NOT OVER TIGHTEN** as you might damage the components. If you live in more temperate climates, be sure to drain the unit of any residual water before storing. **DO NOT EXPOSE THE UNIT TO FREEZING TEMPERATURES** while water remains in the plumbing system.

Troubleshooting Guide

Problem: Swivel head is not rotating, causing the leader hose to kink up.

Solution: Remove leader hose and turn the square head of the swivel several times; apply lubricant.

Problem: Leaking Fixtures (galvanized tee; brass coupling; swivel)

Solution: Apply Teflon/Plummer's Tape or/and make sure fixtures are tightened.

TIPS

- **DO NOT** use a compressor while inflating the tires; hand pump only. 15 PSI maximum.
- To help delay rust, check for any scratches on your hose cart. Apply clear acrylic/weatherproof paint to avoid rusting.
- Drain water before storing.
- **DO NOT** drink water from the hose.
- **DO NOT** leave water running though the reel while not in-use or unsupervised.
- Turn off water after each use.

WARNING: This product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

CURING A LEAKING SWIVEL

Problem:

Your new Liberty™ model 870 hose cart is leaking at the swivel.

Solution:

It is normal for the swivel to leak slightly until the O-rings are wet and have seated. If the leaking continues, you don't need to take the cart back to the store. This is a simple problem and is easily fixed by a simple procedure.

1. If the leader hose is attached to the swivel, unscrew the hose and look inside the swivel.
2. Using either a hex key or a large screw driver, insert the tool into the hex opening and gently tighten the threaded insert. **DO NOT OVER TIGHTEN!**
3. This should stop the leaking.
4. If the unit still leaks, please check that the hose washer is inside the nut. You may contact Liberty for a new hose washer or obtain one at any hardware store.
5. If your swivel is old, the O-rings may be worn, please contact us for a new set of O-rings.
6. If these steps do not solve your leaking problem, then contact Liberty Garden.

REGARDING TROUBLESHOOTING AND WARRANTY**

LIBERTY GARDEN PRODUCTS LIMITED WARRANTY

(Effective January 15, 2018)

This limited warranty is applicable to each original end-customer (hereinafter "Customer") purchasing the model 870 four wheel hose reel cart consisting of the structural metal frame and spool (hereinafter the "Structural Frame") and various other non-frame components (hereinafter the "Non-Frame Parts") sold by Liberty Garden Products, Inc. (hereinafter "Company") for Customer's own use and not for resale. The Structural Frame and Non-Frame Parts are collectively referred to herein as the "Products".

1. LIMITED WARRANTY; EXCLUSIVE REMEDIES:

1.1. LIMITED WARRANTY ON PRODUCTS: Company warrants solely to the original Customer that (a) the Structural Frame will be free from defects in materials and workmanship under normal use for a period of three (3) YEAR(S) from the date of original retail purchase, and (b) the Non-Frame Parts (which consist of the crank handle, swivel and water connections, leader hose and tires), will be free from defects in materials and workmanship under normal use for a period of ONE (1) YEARS from the date of original retail purchase. Notwithstanding the foregoing, the colors and finishes of the Products may vary within a reasonable scope due to unavoidable color variations in different production batches, and such variations shall not constitute a material defect. This limited warranty is limited solely to the original Customer with proof of purchase and is not transferable.

1.2. THE WARRANTY: During a covered Product's limited warranty period, Company will, at Company's sole option and discretion, (1) repair the defective component or product without charge or (2) replace the defective component or product without charge.

1.3. The foregoing limited warranty is subject to the Customer's proper storage, transportation, handling and use of the Products as the same are defined within Company's then-current published guides and instructions for use and care. The limited warranty does not include defects due to normal wear and tear, abuse or misuse, mishandling, neglect, accident, fire, lightning, sunlight or other natural hazard, delivery or transportation damage, failure to follow applicable directions or instructions, or improper or inadequate cleaning, maintenance, care, repairs, modifications, or use beyond a Product's intended use. Please note that since the Structural Frame is made from steel rust may occur over time. As such, this limited warranty does not include rust or defects due to the same.

1.4. LIMITED WARRANTY CLAIMS PROCEDURE: To obtain performance under this limited warranty, Customer shall notify Company in writing (to Liberty Garden Products, Inc., 1161 South Park Drive, Kernersville, NC 27284, Attn: Customer Service / Warranty Department), by email (to customerservice@libertygardenproducts.com), or by telephone (to (336) 992-3595) with a full description of the defect that is covered by warranty and a copy of the dated proof of purchase of the applicable product.

- Company shall review each such claim and issue Customer a return merchandise authorization ("RMA") in the event that the described defect or condition merits warranty review as determined by Company. Customers who have been issued a RMA shall, at Company's election, return the covered item to the same physical address listed above for reporting initial claims. Company shall not accept any returned product without a RMA.

- Upon receipt, Company will evaluate the returned product(s) to determine if there is a warranty claim and, if so, how Company wishes to remedy the same. During a covered product's respective limited warranty period, Company will, at Company's sole and absolute option and discretion, (1) repair the defective component or product without charge or (2) replace the defective component or product without charge. Refunds are not available pursuant to this limited warranty.

- Customer is solely responsible for transportation of the covered product(s) to the Company for evaluation (if applicable and requested by Company). In the event that Company determines that a claim under this limited warranty is justified, Company shall be responsible for transportation of the repaired, corrected, replaced or exchanged product back to Customer. Customer shall be solely responsible for the transportation of any product back to Customer if Company determines that a claim under this warranty is not justified.

- Any repaired, corrected, replaced or exchanged Products shall be subject to the Limited Warranty set forth to the duration of the original limited warranty period as set forth in Section 1.1. and not for any extended duration, following their repair, correction, replacement or exchange.

1.5. IF A COMPANY PRODUCT DOES NOT CONFORM TO THESE LIMITED WARRANTIES, THE PURCHASER'S SOLE AND EXCLUSIVE REMEDY IS, AT COMPANY'S SOLE AND EXCLUSIVE OPTION, THE (1) REPAIR OF ANY DEFECTIVE PRODUCT OR COMPONENT PART OR (2) REPLACEMENT OF ANY DEFECTIVE PRODUCT OR COMPONENT PART. THE LIMITED WARRANTY AND REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND MADE IN LIEU OF ALL OTHER WARRANTIES, REMEDIES, RIGHTS OR CONDITIONS, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. COMPANY SPECIFICALLY DISCLAIMS, WITHOUT LIMITATION, ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, OF ANY KIND. IF COMPANY CANNOT LAWFULLY DISCLAIM IMPLIED WARRANTIES UNDER THIS LIMITED WARRANTY, ALL SUCH WARRANTIES, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE DURATION OF THIS LIMITED WARRANTY. The Company does not assume or authorize any person to assume for them any other liability in connection with the Products.

LIBERTY GARDEN PRODUCTS LIMITED WARRANTY CONTINUED

2. EXCLUSION AND LIMITATION OF LIABILITY:

IN NO EVENT, WHETHER BASED ON CONTRACT OR TORT OR OTHER LEGAL THEORY, SHALL COMPANY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, PUNITIVE, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, DAMAGES TO OTHER PROPERTY, INCONVENIENCE, DAMAGES FOR LOSS OF PROFITS, REVENUE, GOODWILL OR USE, INCURRED BY CUSTOMER OR ANY THIRD PARTY, WHETHER IN AN ACTION IN CONTRACT, TORT, STRICT LIABILITY, OR IMPOSED BY STATUTE, OR OTHERWISE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Some states do not allow the exclusion or limitation of incidental or consequential damages or exclusions or limitations on the duration of implied warranties or conditions, so the above limitations or exclusions may not apply to Customer. In jurisdictions that limit the scope of or preclude limitations or exclusion of remedies or damages, or of liability, such as liability for gross negligence or willful misconduct or do not allow implied warranties to be excluded, the limitation or exclusion of warranties, remedies, damages or liability set forth above are intended to apply to the maximum extent permitted by applicable law. This limited warranty gives the Customer specific legal rights, and the Customer may also have other rights that vary by state, country or other jurisdiction.

3. SEVERABILITY:

If any provision of this limited warranty is held to be illegal, invalid or otherwise unenforceable, such provision will be enforced to the extent possible consistent with its stated intention, or, if incapable of such enforcement, will be deemed to be severed and deleted from this limited warranty, while the remainder of the terms of this limited warranty will continue in full force and effect.

4. DISPUTE RESOLUTION:

This Liberty Garden Products, Inc. Limited Warranty shall be governed by and construed in accordance with the laws of the State of North Carolina, without regard to its principles of conflicts of law. The parties acknowledge the exclusive jurisdiction of the federal and state courts of the State of North Carolina. Any claims or disputes under this Liberty Garden Products, Inc. Limited Warranty shall be heard exclusively in any state or federal courts sitting in Guilford County, North Carolina, and both parties expressly consent to the personal jurisdiction and venue of the North Carolina state and federal courts for such actions.
