TOOL LIST

NOTE: Designated with (★) We provide additional spare parts in the hardware package

①*4

★ Bolts

②*6

★ Bolts

③*10

★ Flat washer

④*1

Allen key

Please make sure all hardware & packing material fitting the list. Especially some small accessories may be missing during transportation. Please contact us if you have any question.

step 1

First place a flat washer(3) on each bolt(1) as shown, then align the bolt holes on both rear leg(F) and the armrests, use the allen wrench(4) to tighten all bolts by 30-50% first, make sure all bolts are aligned correctly before fully tightening.

Then place one washer onto each front leg as shown, and twist the legs into the armrests.

step 2

First place one washer(3) on each bolt(2) as shown, then align the bolt holes on both seat frame and the armrests(C&D), use the allen wrench(4) provided to tighten all bolts by 30-50 % first, make sure all bolts are correct before fully tightening.

step 3

Install the backrest(A) onto the pre assembled part as shown. Make sure the iron connectors on both sides are aligned to the correct slots before pushing down.

Notice: We suggesst push down the backrest harder, make sure the metal parts are interlocked tightly together. In case of causing damage to product.

step 4

Stick the Velcro cover on the back of the chair as shown.

Stick the Velcro cover on the chair as shown.

step 5

Tear off the Velcro strip cover on the bottom of the back cushion(G) as shown, and place it on the seat.

step 6

Tear off two Vecro strip covers on the bottom of the seat cushion (H) as shown, and place the cushion and the pillow (I) on the chair.

step 7

Stand by the side of the chair, push the backrest forward a little, then pull it back until the backrest is around 135 degree. When you hear the locking sound of the metal parts, the second gear is fixed. If you want to use the recline function, push the backrest forward a little, then pull the backrest all the way down to 180 degree, or until you hear the locking sound of the metal part.

Congradulations, the assembly is complete! Thank you again for choosing our product! Please enjoy!
