

## ASSEMBLY INSTRUCTION

**Warning: You must read this before continuing**  
**INSTRUCTIONS DE MONTAGE**

**Attention: Vous devez lire ceci avant de continuer**

**This set is included 2 boxes if don't receive full 2 boxes please contact our customer service team**

**Ce set est livré en 2 boîtes. Si vous ne recevez pas un jeu complet de 2 boîtes, veuillez contacter notre service clientèle.**

### SAFETY WARNINGS AND GENERAL NOTES:

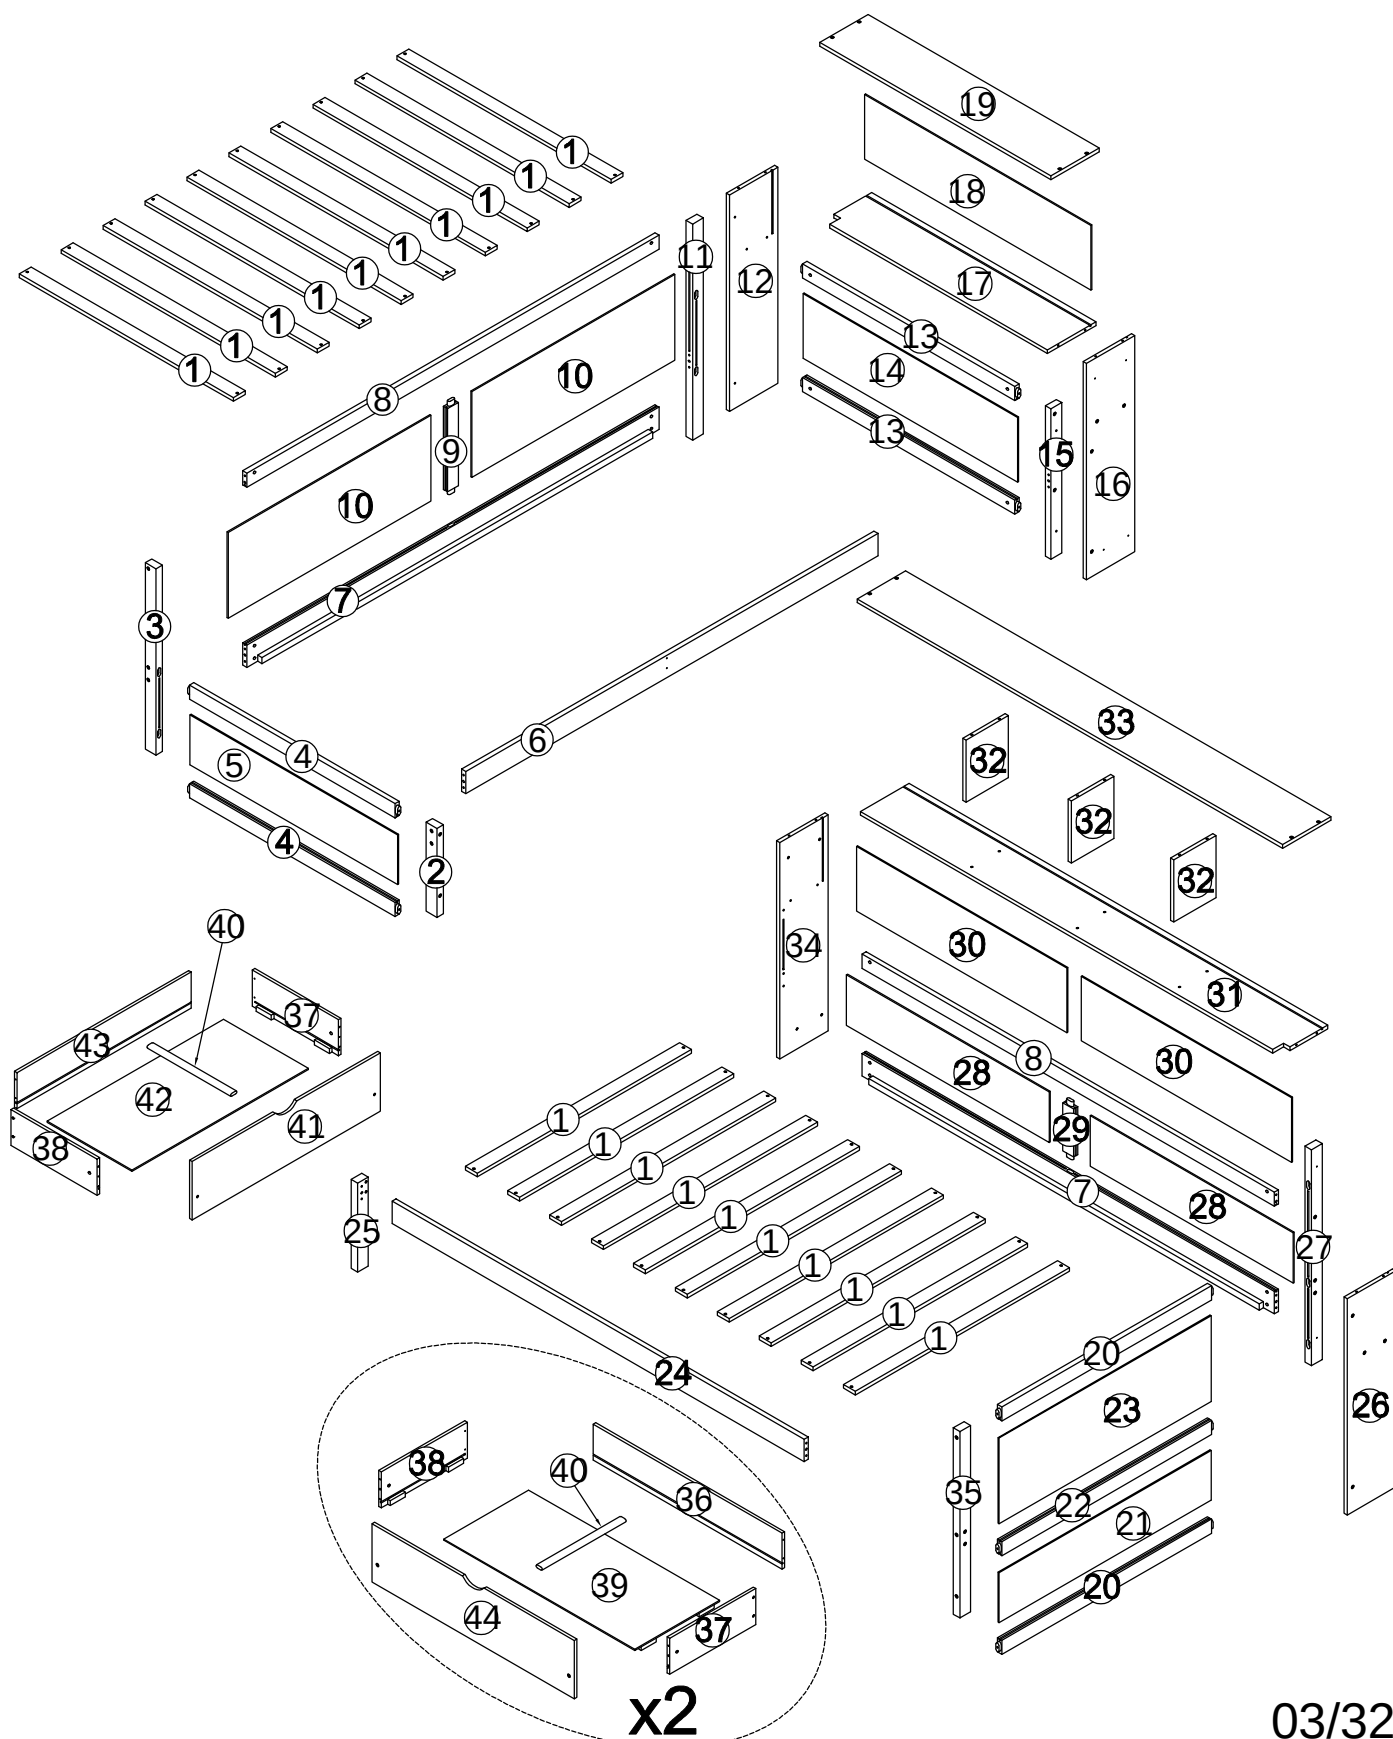

1. Do not use substitute parts. Contact the manufacturer or dealer for replacement parts.
2. Keep these instructions for future reference.
3. We recommend assembling your bed on the shipping carton to protect your floor.
4. Be certain all staples are out of the box before beginning assembly on the shipping carton.

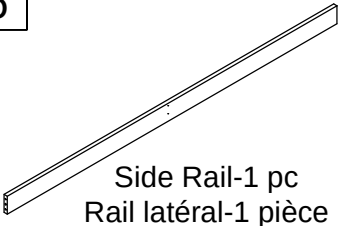

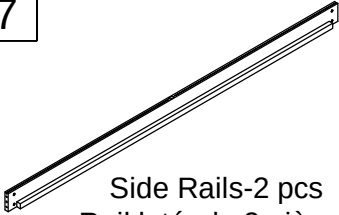

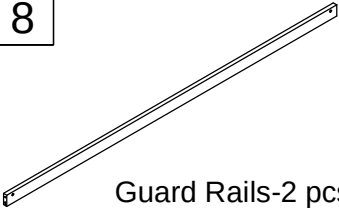

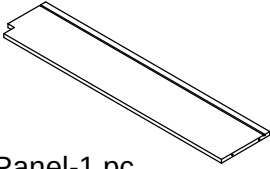

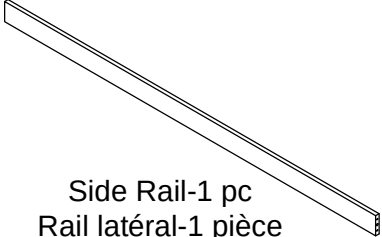

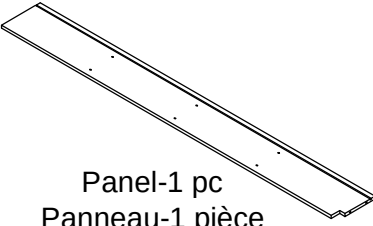

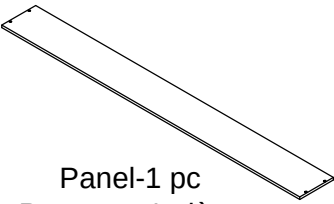

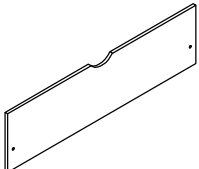

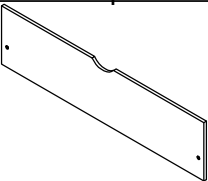

### AVERTISSEMENTS DE SÉCURITÉ ET REMARQUES GÉNÉRALES :

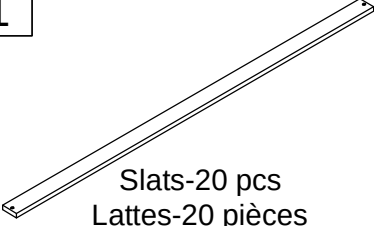

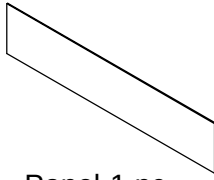

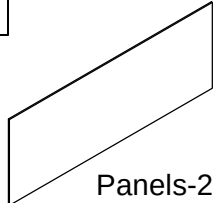

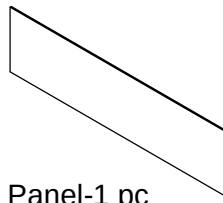

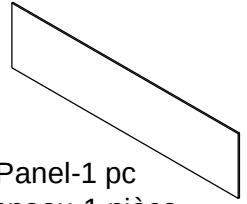

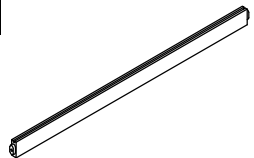

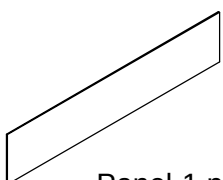

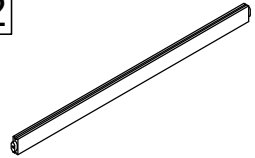

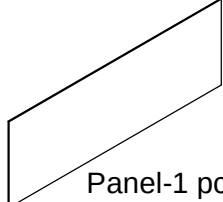

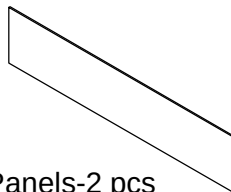

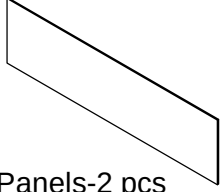

1. N'utilisez pas de pièces de rechange. Contactez le fabricant ou le revendeur pour les pièces de rechange.
2. Conservez ces instructions pour référence future.
3. Nous vous recommandons d'assembler votre lit sur le carton d'expédition pour protéger votre sol.
4. Assurez-vous que toutes les agrafes sont sorties de la boîte avant de commencer l'assemblage sur le carton d'expédition.

|                                                                                       |                                                                                      |
|---------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| M4x15mm                                                                               | H=28mm                                                                               |
|  |  |
| Fx16                                                                                  | Wx8                                                                                  |

## STEP 26-1:

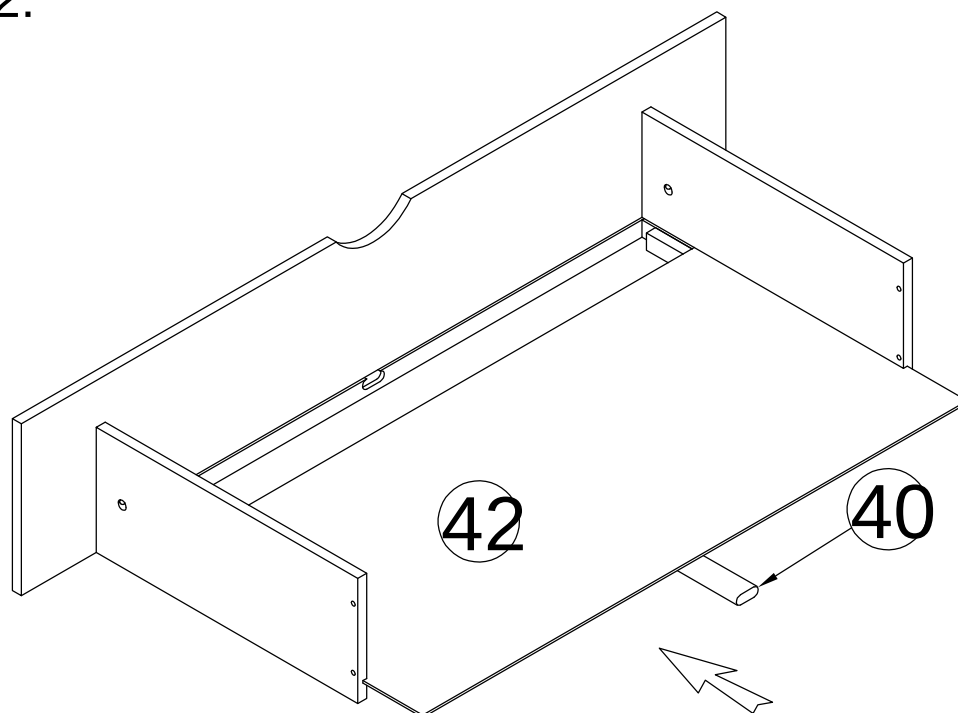

## ÉTAPE 26-1:

|         |         |
|---------|---------|
| M6x13mm | M6x60mm |
|         |         |
| Bx2     | Qx2     |
| Ø6x25mm |         |
| Zx4     | Cx1     |

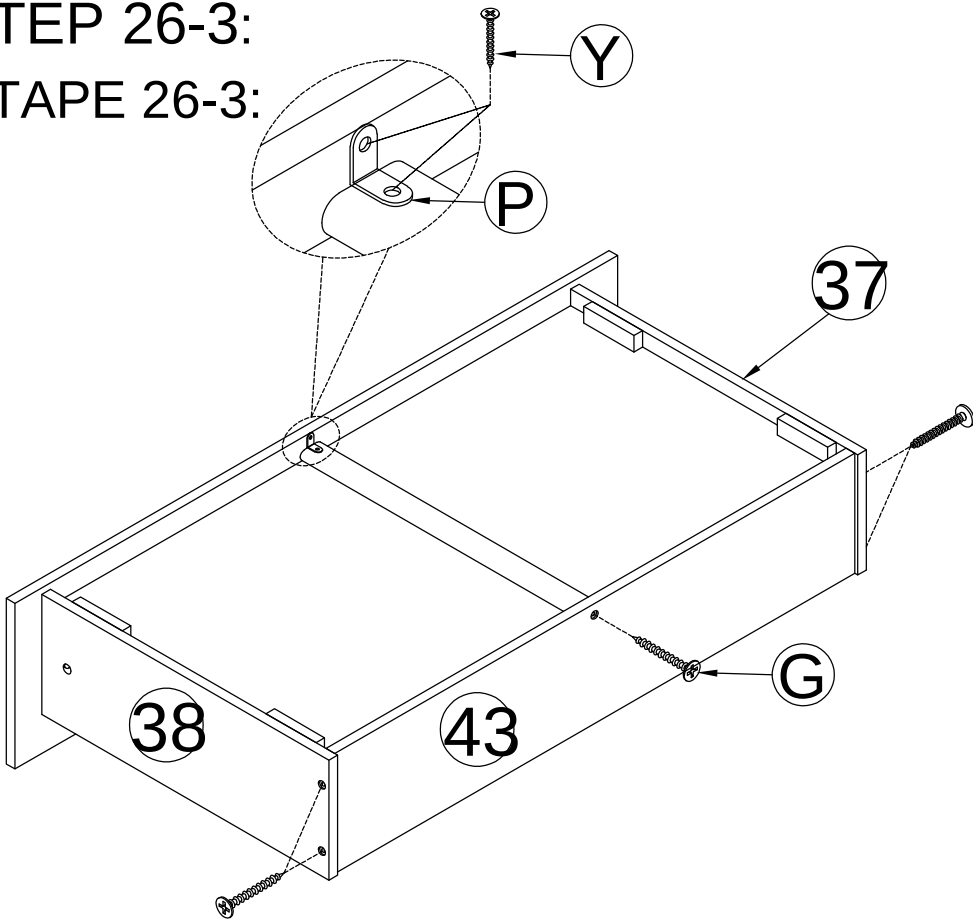

## STEP 26-2:

## ÉTAPE 26-2:

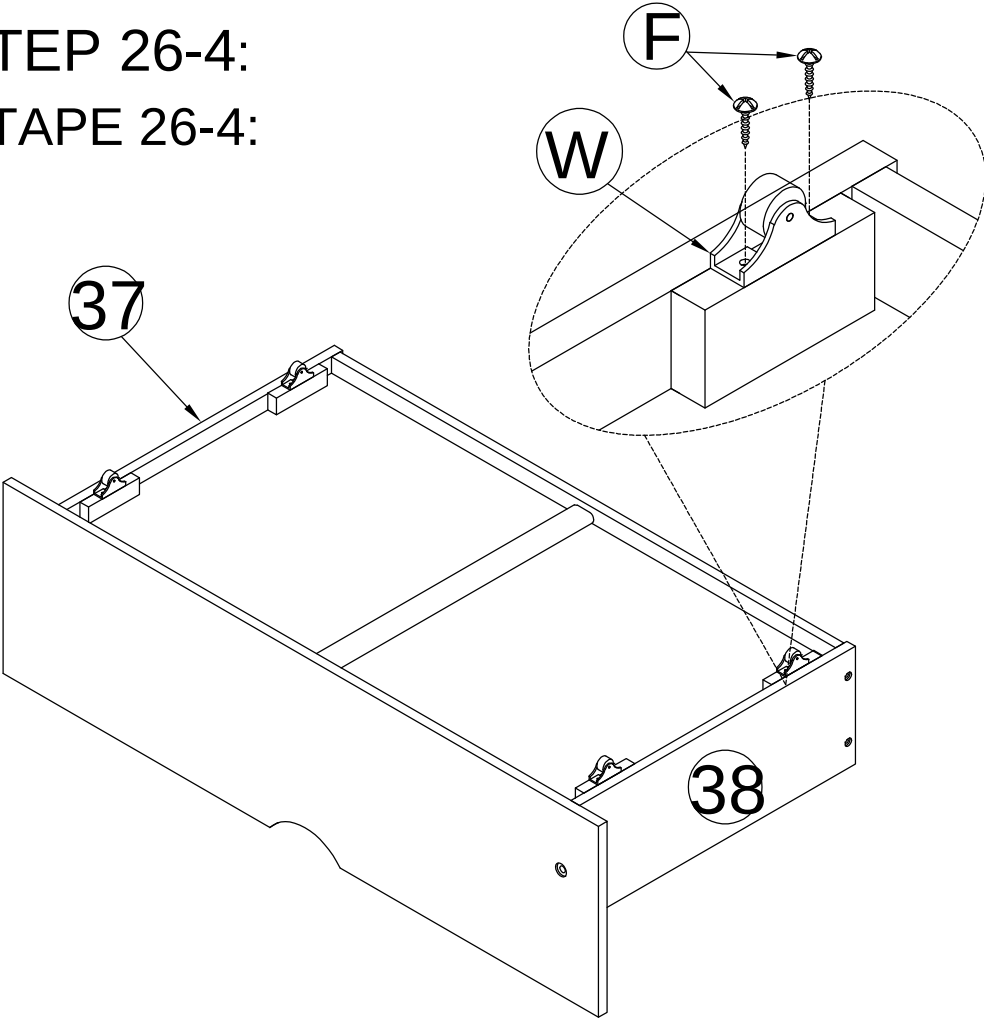

Push detail 40 in first and then push detail 42 into position  
 Poussez d'abord le détail 40, puis poussez le détail 42 en position

STEP 26-3:  
ÉTAPE 26-3:

|                                                                                     |                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  | M3.5x12mm                                                                           |
| Px1                                                                                 | Yx2                                                                                 |
|                                                                                     | M4x30mm                                                                             |
|                                                                                     |  |
|                                                                                     | Gx5                                                                                 |

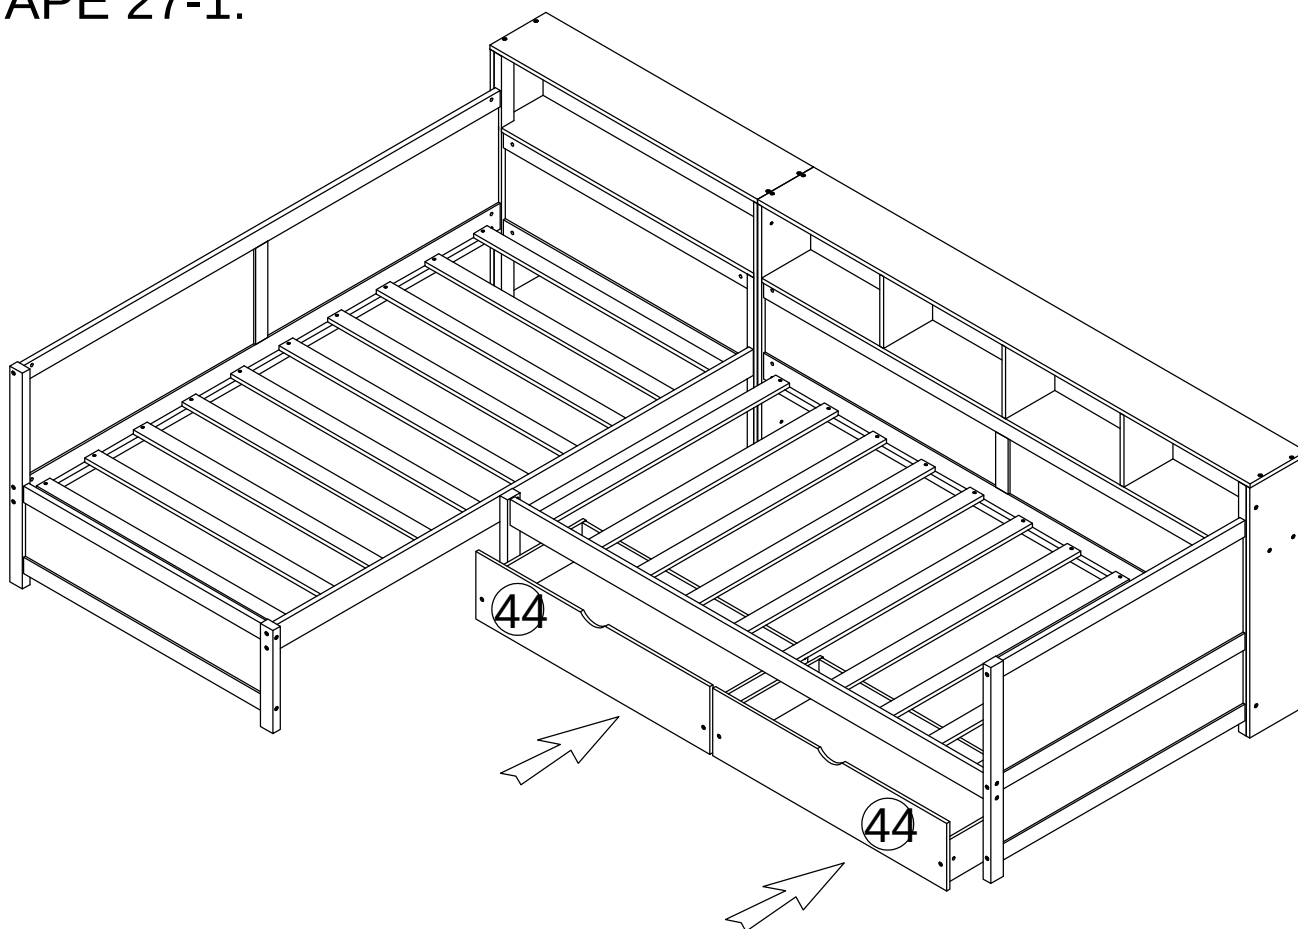

STEP 26-4:  
ÉTAPE 26-4:

|                                                                                       |                                                                                      |
|---------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| M4x15mm                                                                               | H=28mm                                                                               |
|  |  |
| Fx8                                                                                   | Wx4                                                                                  |

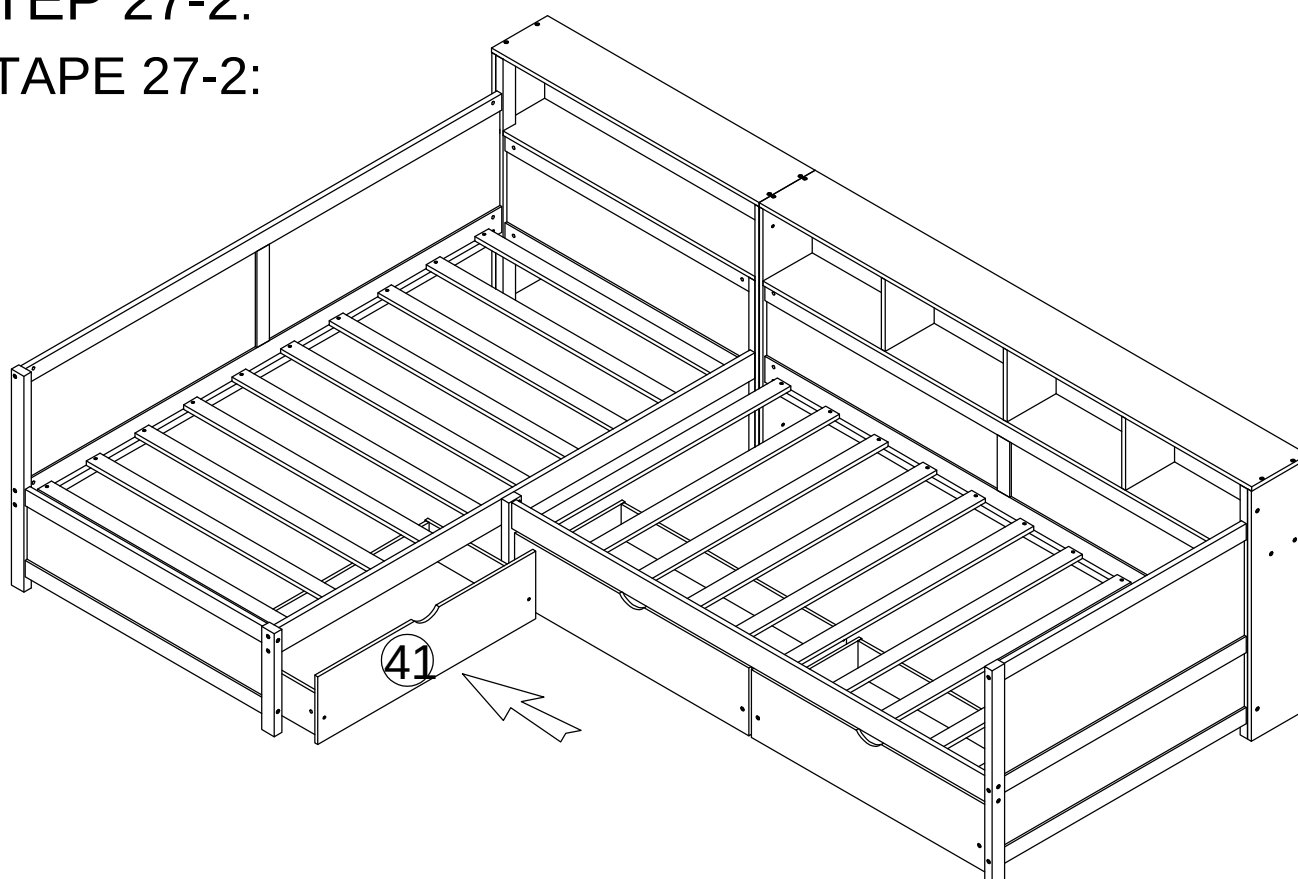

STEP 27-1:

ÉTAPE 27-1:

STEP 27-2:

ÉTAPE 27-2:

STEP 11: CONGRATULATION. YOU HAVE COMPLETED THE BED  
ÉTAPE 11 : FÉLICITATION. VOUS AVEZ TERMINÉ LE LIT
