MILAN

CHAIR / ASSEMBLY GUIDE

BEFORE YOU BEGIN

- Check all components against the parts list.
- Assemble on a clean, soft surface to help protect the chair.
- Align the frame before fully tightening the screws.

IN THE BOX

A × 1 Seat shell
B × 1 Leg / frame piece
C × 1 Leg / frame piece
D × 1 Cross support
E × 4 Screws, 6 × 45 mm
F × 4 Screws, 6 × 14 mm
G × 4 Washers
H × 1 Allen key
I × 4 Lock washers

HARDWARE CHECK

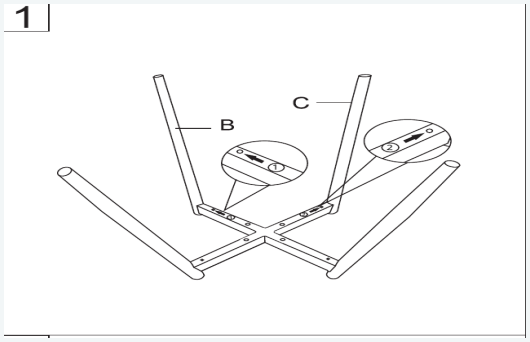

Fastener	Qty.	Use
E · 6 × 45 mm screw	4	Step 3 — frame to seat
F · 6 × 14 mm screw	4	Step 2 — cross support
G · Washer	4	As shown in the diagrams
I · Lock washer	4	As shown in the diagrams

Spare hardware shown in the original diagram is not included in the quantities above.

ASSEMBLY

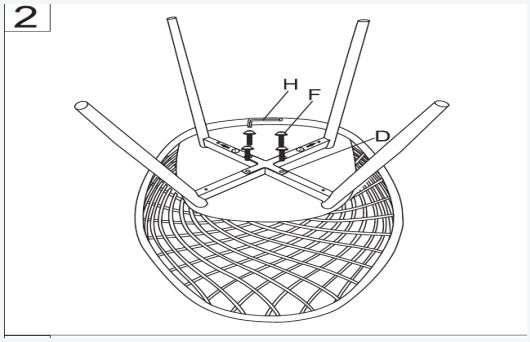

Follow the numbered diagrams in order.

01 Position the leg frames

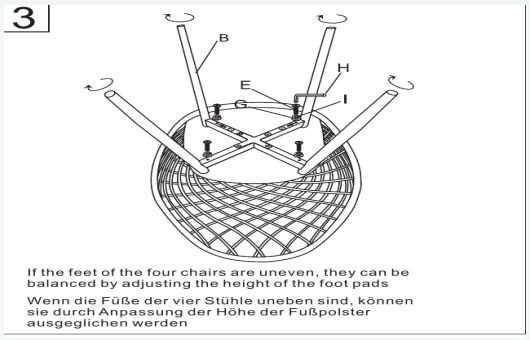

Place frame pieces B and C as shown. Align the mounting points and match the indicated orientation.

02 Attach the cross support

Position support D beneath the seat shell. Use the short F screws and washers as shown; start all screws before tightening.

03 Secure the frame to the seat

Fit the seat shell A over the frame. Use the long E screws and Allen key H at the indicated points. Tighten evenly.

04 Stand the chair upright

Carefully turn the chair upright and check that all fasteners are secure. Adjust the foot pads if the chair rocks.

FINAL CHECK Place the chair on a flat floor. If the feet do not touch evenly, adjust the foot pads until the chair sits level.
