

# Small Portable Lock Box

P005K

The SentrySafe compact safe is the perfect solution for 'on-the-go' security. It is designed to secure cell phones, wallets, iPods, and other compact but expensive to replace items that are vulnerable to theft.

## FEATURES:

- Privacy Key keeps prying eyes away from your important documents and valuables
- Steel construction provides added security
- Soft interior lining protects fragile and expensive contents from scratching and damage
- Steel tethering cable can be attached to any stationary item for increased security
