

NOTICE

- * Please make sure that you have all parts indicated before you begin assembly of this item
- * This item should be assembled on a soft surface to prevent scratching the finish during assembly
- * This item may require periodic tightening

PREPARATION

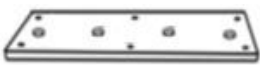

- * Before beginning assembly of product, make sure all parts are present. Compare parts with part contents list and hardware contents list.
- * If any part is missing or damaged, do not attempt to assemble the product.
- * Estimated Assembly Time: 15 minutes.
- * Tools Required for Assembly (included): Allen Key

CARE AND MAINTENANCE

Always use felt pads under all articles to prevent discoloration or softening of the lacquer. Plastic and rubber bases on items can discolor wood. Wipe up spills immediately and avoid common hazards such as hot dishes, harsh solvents and abrasives. Cleaning should be done with a soft lint free cotton cloth dampened with water or furniture polish. On highly used surfaces we recommend applying a quality paste wax which should be used on a regular basis to provide additional protection from scratches and spills. How often you apply the wax depends on how much wear the furniture receives.

Product Dimensions: 47.25"Wx23.6"Dx18.9"H

PIECE	DESCRIPTION	PICTURE	QUANTITY
A	Table top		1x
B	Leg		1x
C	Leg		1x
D	Connecting board		1x
E	Connecting board		1x
HW1	Flat washer M6		22x
HW2	Allen Bolt M6x35mm		22x
HW3	Allen Key M5		1x

WARNING

Weight Capacity-70 LBS

Warning: Do not stand on Table

Warning: Do not over torque bolts

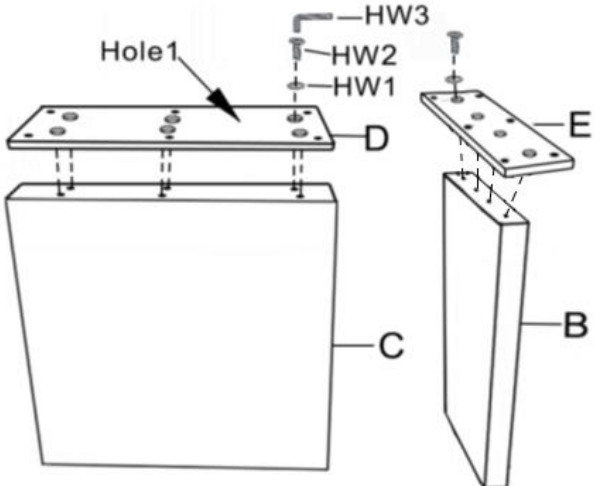

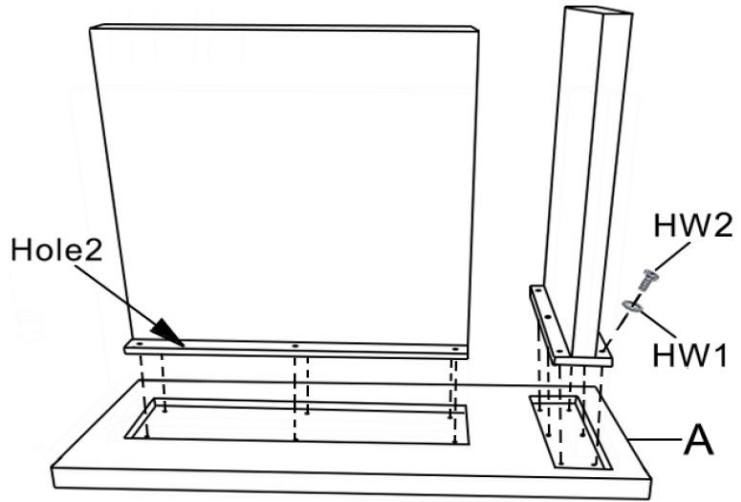

PREPARATION

Before beginning assembly of product, make sure all parts are present. Compare parts with package contents list and hardware contents list.

If any part is missing or damaged, do not attempt to assemble the product.

Estimated Assembly Time: 15 minutes.

Tools Required for Assembly (included): Allen Key

<p>Step 1</p>  <p>The diagram shows a perspective view of a rectangular base (C) with two vertical legs (B) on the right side. Two horizontal connecting boards, D and E, are positioned above the base. Board D is attached to the top of the legs, and board E is attached to the top of the base. Hardware HW1, HW2, and HW3 are shown being inserted into Hole 1 on board D.</p>	<p>Step 2</p>  <p>The diagram shows a perspective view of the base (C) with the legs (B) attached. A top panel (A) is being attached to the base. Hardware HW1 and HW2 are shown being inserted into Hole 2 on the top panel.</p>
<p>Attach Connecting Board D, E to top of Legs, screw it from Hole 1</p>	<p>Upside down the top on ground, attached Legs to it, screw it from Hole 2</p>
