

ASSEMBLY INSTRUCTIONS

STEP 1: Take out the backrest and find the position of the backrest insert and the position of the seat cushion slot. Align the insert with the two slots on the seat cushion simultaneously and gently push down. When you find that it can be fully embedded, press down again to make the insert and the slot completely buckle.

STEP 2: Take out the ear and find the position of the backrest insert. Align the insert with the two slots.

STEP 3 : Please follow the steps to plug in the power
(How to connect a line)

STEP 4 : Take out the phone holder and insert it into the left armrest.
