

5 Light Chandelier

With seeded glass and a contemporary finish, the simplicity of this collection is suitable for transitional to modern interiors. Bold, graphic lines in matte black create the open cage design. The fixtures are available in multiple accent colors to match or contrast the smooth cages. This 5-light chandelier's generous frame makes it perfect for large open spaces, while its height allows it to work comfortably in 8-9' ceilings. This 5-light chandelier creates a stylish focal point and warm ambient lighting perfect for intimate living and dining areas or task lighting.
